I. COMMITTEE: People for English
 C00283606
 Edward Smith, Treasurer
 P.O. Box 1940
 Erie, PA 16507

II. RELEVANT STATUTE: 2 U.S.C. §434(b)
 11 CFR §104.3(a)

III. BACKGROUND:

Failure to Provide Supporting Schedules (Failure to Disclose All Financial Activity)

People for English ("the Committee") filed an Amended 2006 12 Day Pre-General Report which disclosed additional receipts totaling \$54,775.00 on December 6, 2006 (Attachment 2).

On October 26, 2006, the Committee filed the original 2006 12 Day Pre-General Report covering the period from October 1, 2006 through October 18, 2006 (Image 26960636872). The original report disclosed \$43,248.00 on Line 11(a)(i) (Itemized Contributions from Individuals/Persons Other Than Political Committees), \$10,466.00 on Line 11(a)(ii) (Unitemized Contributions from Individuals/Persons Other Than Political Committees) and \$57,000.00 on Line 11(c) (Contributions from Other Political Committees of the Detailed Summary Page (Image 26960636874).

On December 6, 2006, the Committee filed an Amended 2006 12 Day Pre-General Report covering the period from October 1, 2006 through October 18, 2006 (Image 26940727851). The amended report disclosed \$52,998.00 on Line 11(a)(i) (Itemized Contributions from Individuals/Persons Other Than Political Committees), \$10,491.00 on Line 11(a)(ii) (Unitemized Contributions from Individuals/Persons

Other Than Political Committees) and \$102,000.00 on Line 11(c) (Contributions from Other Political Committees of the Detailed Summary Page (Image 26940727853).

On January 25, 2007, a Request for Additional Information (RFAI) was sent to the Committee referencing the 2006 Amended 12 Day Pre-General Report, received on December 6, 2006. The RFAI asked, among another matter, for clarification regarding the substantial increase in receipts that was not disclosed in the original filing of October 26, 2006 (Image 27039351521-22)

On February 2, 2007, the Reports Analysis Division (RAD) Analyst received a call from the Committee. Ms. Sheila Starrett, a Committee representative, called regarding a recent RFAI that she had received. She explained that the woman who normally filed the reports was out due to a medical emergency. Ms. Starrett stated that the receipt information for the 2006 12 Day Pre-General Report had been put into the computer, but for some reason it did not print out. The Analyst advised her that the matter may be referred for further consideration and that the Committee should submit an explanation by filing a memo text (Attachment 3).

On February 23, 2007, the RAD Analyst received a call from Committee Representative, Robin Sexton. Ms. Sexton stated that when the 12 Day Pre-General Report was sent, the person left in charge, after the primary person was hospitalized, made an error. Although all the information had been entered into the software, the report did not pick up all of the receipts. The error was not noted until they went to file the 30 Day Post General Report. Ms. Sexton advised that the Committee would be filing a memo text to explain what had happened.

On February 23, 2007, the Treasurer filed a Miscellaneous Electronic Submission (Form 99), which stated in part:

“This letter is in response to your RQ-2 dated January 25, 2007, regarding the Amended 12-Day Pre-General Report (10/1/06-10/18/06) received on December 5, 2006. In mid September, the compliance officer for the campaign had a stroke and due to ongoing medical issues, is still unable to confer with the campaign. We had several folks jump in to continue the data entry in her absence and all transactions were entered into our compliance software. However, many of the receipts were not coded properly and thus did not get compiled into the report that was originally filed. This problem was identified when preparing the post general report and the ending balances was negative. After searching through the data, we found a whole series of receipts that were coded incorrectly...We have since hired an organization to complete a review of all of our records for the period in question...” (Image 27930166829)

To date, no further communication has been received from the Committee regarding this matter.

Contact	Communication Date	Analyst Name	Date of Entry	Type
Sheila Starrett	2/2/2007	Robin Kelly	2/14/2007	Phone Call
Summary	Sheila called regarding recent RFAI's which were sent. We went over correcting the Column B totals. She explained that the woman who normally files the reports was out because of a medical emergency. The committee had reported increased activity (receipts) on the amended 12 Day Pre-General. She said the information was there, but for some reason the computer did not pick it up. I told her that there was a lot of activity missing, and that it may be referable. I told her she could send in a letter, or do a memo text to explain the situation.			
Comments	Her no. is 814-838-5078.			
Robin Sexton	2/23/2007	Robin Kelly	2/23/2007	Phone Call
Summary	Ms. Sexton called on behalf of the committee. Aristotle was working on fixing the election cycle-to-date figures. It appears that when the 12G was sent, the person left in charge, after the primary person was hospitalized, made an error. Although all the information had been entered, the report did not pick up all the receipts. It was not noted until they filed the 30G. They would be sending a memo text to explain and will also correct some of the other problems noted in the RFAI's.
