Federal Election Commission  
Washington, DC 20463  
USA

Dear Sirs:

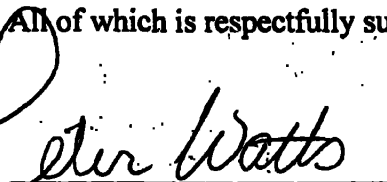

RE: MUR 5946

RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL  
2007 NOV 13 A 11:55

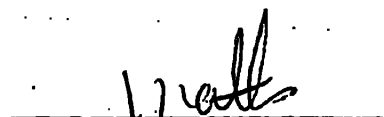

We write in response to your letter of October 23, 2007 and would advise you as follows:

1. There is no such entity as "Peter Law Group".
2. We will not retain counsel in this matter
3. With the exception of our comments contained herein, we have no knowledge of the matters referred to in the complaints.
4. With regard to paragraph 3 on page 2 of the sworn complaint of Todd Donovan sworn October 10, 2007, I would advise that:
  - a. The information is correct in that the cheques were drawn and paid as indicated. Peter and Magdalene Watts normally reside at 5869 Hudson Street in Vancouver, BC but each have E2 Visas which provide for US residency. Their time is divided between Vancouver and Bellingham.
  - b. Peter Watts does not own Evergreen View Ventures, nor is he the sole owner of Peter Watts Law Corporation.
  - c. In years 2002 and 2003 there was a contested election for the candidates for Whatcom County Council. We believed Mr. Sam R. Crawford to be a suitable candidate who would provide an able voice on the county council.
  - d. In good faith we believed that we could make a modest contribution on behalf of the campaign of Mr. Crawford. If we were wrong, we apologize.
  - e. At no time did we have any dealings with Mr. Crawford concerning any property interest that we had in Whatcom County, Washington.

All of which is respectfully submitted.

Peter Watts
