Re: MUR#5946

Dear Mr. Jordan:

My office represents Kent Properties, LLC and 10<sup>th</sup> & McKenzie Limited Partnership, which are both Washington State entities, validly formed and existing under the laws of the State of Washington. Those two entities received letters from you and your office referencing the above stated matter number. Those letters, however, were both primarily addressed to Peter and Magdalene Watts. Mr. and Mrs. Watts have no affiliation with either company, and the principals of the companies have never met Mr. and Mrs. Watts. To the extent that you wish to contact Mr. and Mrs. Watts, you will need to seek them through other channels.

Notwithstanding the foregoing, the documents accompanying your letters indicate on various receipt sheets that contributions apparently were received from Kent Properties, LLC for William Geyer and from 10<sup>th</sup> & McKenzie Limited Partnership for Daniel Pike. It is my understanding that the two companies were approached by the campaigns for those candidates for campaign contributions. Contributions were written on company checks for the candidates, but ultimately those contributions were returned to the companies by the campaigns. Had the companies known or even suspected that they were not eligible to contribute to the campaigns, which may or may not be the case, I can assure you they would not have accepted the invitations to do so. Fortunately, the matter has been rectified with the return of the contributions.

If you have any questions, please do not hesitate to call. In the meantime, I encourage you to consider this matter closed as regards Kent Properties, LLC and 10<sup>th</sup> & McKenzie
