Washington, DC 20002
- II. RELEVANT STATUTE: 2 U.S.C. §432(b)(1)
11 C.F.R. §102.8(a) and (c)
11 C.F.R. §110.6(c)(1)(iii)

III. BACKGROUND:

Failure to Disburse Earmarked Contributions within Permissible Period

On the 2006 May Monthly Report, 2006 July Monthly Report and 2006 30 Day Post-General Report, Council for a Livable World Candidate Fund ("The Committee") disclosed disbursements of undeposited earmarked contributions received for authorized committees more than ten (10) days after receipt. The transactions totaled \$78,041.00 and accounted for 44.67% of the calendar year-to-date line total from Line 11a(iii) (Total Contributions from Individuals/Persons other than Political Committees), Column B of the Detailed Summary Page¹ (Attachment 2).

2006 May Monthly Report

On April 20, 2006, the Committee filed a 2006 April Monthly Report covering the period from March 1, 2006 through March 31, 2006. The Committee disclosed receipts to include 260 undeposited earmarked contributions, totaling \$16,170.00, on Schedule A (Itemized Receipts) (Images 26930112258-2701). The Committee disclosed receipt dates of March 28, 2006 and March 30, 2006 for these transactions (Attachment 3). On May

¹ The Committee disclosed \$174,713.09 on Line 11a(iii), Column B of the 2006 Year End Report (Image 27930651382).

28190280006

20, 2006, the Committee filed a 2006 May Monthly Report covering the period from April 1, 2006 through April 30, 2006. The Committee disclosed on Schedule B (Itemized Disbursements) that the same 260 undeposited earmarked contributions, totaling \$16,170.00, were subsequently forwarded to eighteen (18) candidates more than ten (10) days after receipt (Attachment 3) (Images 26950128370-8699).

On June 20, 2006, the Committee filed an Amended 2006 May Monthly Report which reflected no change in the undeposited earmarked contributions disclosed on Schedule B (Itemized Disbursements) (Images 26950194980-5311).

On June 21, 2006, a Request for Additional Information ("RFAI") was sent to the Committee referencing the 2006 May Monthly Report. The RFAI noted that the Committee disclosed the apparent disbursement of earmarked contributions outside the permissible time period. Additionally, the RFAI stated that as a conduit or intermediary for an authorized committee, the Committee must forward any earmarked contribution, along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution (Image 26039101686).

On July 24, 2006, Ms. Whitney Burns, Consultant for the Committee, called the Reports Analysis Division ("RAD") Analyst to discuss the RFAI referencing the 2006 May Monthly Report. Ms. Burns indicated that she had been unable to determine which of the earmarked contributions had apparently been forwarded outside the permissible period. The Analyst explained that the undeposited earmarked contributions were all reported to have been received on March 28, 2006 and March 30, 2006 on the 2006 April Monthly Report and reported to have been forwarded on April 11, 2006 on the 2006 May Monthly Report. Ms. Burns found the contributions in question and agreed that they were forwarded outside the permissible period (Attachment 4).

On July 24, 2006, the Committee submitted a miscellaneous electronic submission (Form 99) referencing the 2006 May Monthly Report, which stated in part:

"Over the past several months the Committee has upgraded it's (*sic*) contributions processing procedures to a more secure and technologically efficient system. During the conversion, which included the use of a postal lockbox, there were a few minor glitches, of the sort frequently experienced during any type of systems change, caused by circumstances outside of the Committee's direct control. The Committee identified the intermittent problems and has worked diligently to correct the underlying processes. At this point in time, the Committee believes that the appropriate controls are in place to ensure that all earmarked contributions are forwarded within the permissible time period" (Image 26940279855).

2006 July Monthly Report

On June 20, 2006, the Committee filed a 2006 June Monthly Report covering the period from May 1, 2006 through May 30, 2006. The Committee disclosed receipts to include 135 undeposited earmarked contributions, totaling \$7,617.00, on Schedule A (Itemized Receipts) (Images 26940211145-1424). The Committee disclosed receipt dates

28190280007

of May 15, 2006 through May 19, 2006 for these transactions (Attachment 5). On July 20, 2006, the Committee filed a 2006 July Monthly Report covering the period from June 1, 2006 through June 30, 2006. The Committee disclosed on Schedule B (Itemized Disbursements) that the same 135 undeposited earmarked contributions, totaling \$7,617.00, were subsequently forwarded to fifteen (15) candidates more than ten (10) days after receipt (Attachment 5) (Images 26950367943-8518).

On August 30, 2006, an RFAI was sent to the Committee referencing the 2006 July Monthly Report. Among other discrepancies, the RFAI noted that the Committee disclosed the apparent disbursement of earmarked contributions outside the permissible time period. Additionally, the RFAI stated that as a conduit or intermediary for an authorized committee, the Committee must forward any earmarked contribution along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution (Image 26039174041).

On October 1, 2006, the Committee filed an Amended 2006 July Monthly Report which reflected no change in the undeposited earmarked contributions disclosed on Schedule B (Itemized Disbursements) (Images 26940371475-2050). In addition, the Committee attached memo text to the report, which in part included the same statement made in the miscellaneous electronic submission (Form 99) filed on July 24, 2006 (Image 26940372052).

2006 30 Day Post-General Report

On December 13, 2006, the Committee filed a 2006 30-Day Post-General Report covering the period from October 19, 2006 through November 27, 2006. The Committee disclosed receipts to include 604 undeposited earmarked contributions, totaling \$54,254.00, on Schedule A (Itemized Receipts) (Images 26930731478-2149). The Committee disclosed a receipt date of October 19, 2006 for these transactions (Attachment 6). The Committee disclosed on Schedule B (Itemized Disbursements), that the same 604 undeposited earmarked contributions, totaling \$54,254.00, were subsequently forwarded to twenty-eight (28) federal candidates more than ten (10) days after receipt (Attachment 6) (Images 26930732155-2820).

On April 19, 2007, the Committee filed an Amended 2006 30-Day Post-General Report which reflected no change in the undeposited earmarked contributions disclosed on Schedule B (Itemized Disbursements) (Images 27930650683-1348).

On April 20, 2007, an RFAI was sent to the Committee referencing the 2006 30-Day Post-General Report. Among other discrepancies, the RFAI noted that the Committee disclosed the apparent disbursement of earmarked contributions outside the permissible time period. Additionally, the RFAI stated that as a conduit or intermediary for an authorized committee, the Committee must forward any earmarked contribution along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution (Image 27039430852).

On May 23, 2007, the RAD Analyst called Ms. Burns regarding the RFAI referencing the 2006 30-Day Post-General Report. The Analyst explained that, among other issues, the issue of undeposited earmarked contributions apparently forwarded outside the permissible period was referable to the Office of General Counsel ("OGC") and asked Ms. Burns to provide clarification as to whether the receipt and disbursement dates were correct. The Analyst reminded Ms. Burns that the same issue had occurred on the 2006 May Monthly Report and the 2006 July Monthly Report, and that those two matters would also be included in the referral to OGC. Ms. Burns replied that she would provide an explanation of the reporting problem or amend the reports if the earmarked contributions had been reported incorrectly. Ms. Burns indicated that she understood that the matter could be referred to OGC (Attachment 4).

On May 30, 2007, the RAD Analyst called Ms. Burns, regarding the possible referral to OGC pertaining to, among other issues, the undeposited earmarked contributions being forwarded outside the permissible period. Ms. Burns indicated that she was still checking the dates of the transactions and would submit a response to the RFAI (Attachment 4).

Also on May 30, 2007, Ms. Burns called back the RAD Analyst to further discuss the Committee's possible referral to OGC. Ms. Burns indicated that the dates reported for the forwarding of undeposited earmarked contributions were correct and that the problem stemmed from a new system the Committee had been using to process the checks. She also indicated that the Committee was planning to switch back to its previous system, which she said was more reliable. Ms. Burns said that she would submit a response to the RFAI (Attachment 4).

On May 30, 2007, the Committee submitted a miscellaneous electronic submission (Form 99), which stated in part:

"The Committee has verified the dates for earmarked contributions reported. The Committee has an excellent record of processing and forwarding earmarked contributions for federal candidates within the appropriate time frame for the past 30-plus years. In the spring of 2006 the Committee changed the contributions processing procedures to a more secure and technologically efficient system, including the use of a lockbox. There were start-up glitches and intermittent problems that the Committee worked diligently to correct and resolve. Despite the Committee's efforts, the new process did not meet the Committee's standards or expectations. After the 2006 election, a decision was made to revert to the previous method of processing contributions and is in the process of re-implementing those procedures and controls prior to the acceptance of additional earmarked contributions. The Committee believes that the three isolated instances of delay in forwarding earmarked contributions in 2006 are an anomaly and will not occur in the future" (Image 27930755184).

To date, no further communication has been received from the Committee regarding this matter.
