NEGOTIATED SETTLEMENT

This matter was initiated by the Federal Election Commission (Commission) pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Following review of the matter, and in an effort to promote compliance with the Federal Election Campaign Act of 1971, as amended, (FECA) and resolve this matter, the Commission entered into negotiations with Daniel J. Schulte, Esq., representing the Michigan Doctors Political Action Committee-Michigan State Medical Society and Scot F. Goldberg, MD, in his official capacity as Treasurer (the Committee or Respondents). It is understood that this agreement will have no precedential value relative to any other matters coming before the Commission.

Negotiations between the Commission and Respondents addressed the issues raised in this referral. The parties agree to resolve the matter according to the following terms:

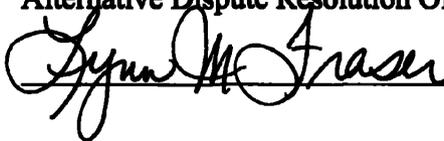

1. The Commission entered into this agreement as part of its responsibility for administering the FECA, and in an effort to promote compliance on the part of Respondents. The Commission's use of alternative dispute resolution procedures (ADR) is guided by "The Administrative Dispute Resolution Act of 1996," 5 U.S.C. § 572 and is an extension of 2 U.S.C. § 437g.
2. Respondents voluntarily enter into this agreement with the Commission.
3. The Reports Analysis Division (RAD) referred the Respondents for the cumulative nature of deficiencies on reports filed with the Commission in the 2006 election cycle which disclosed the Committee was not in substantial compliance with the FECA.
4. A political committee may be referred if, after an internal review of reports filed by the committee, the Commission determines the reports do not meet the threshold requirements for substantial compliance with the FECA. 2 U.S.C. § 437(g).
5. Respondents acknowledge some inadvertent errors and late filing, but contend that steps were taken to bring the Committee into compliance with the FECA requirements. Respondents assert that made staff changes that utilize the experienced accounting staff to review all financial activity, including reviewing reports before they are filed. The Committee also implemented revised financial procedures.

6. Respondents, in an effort to avoid similar errors in the future, agree to: (a) appoint a compliance specialist within 30 days of the effective date of this agreement; (b) develop and maintain a compliance manual for staff reference within 30 days of the effective date of this agreement; (c) develop and implement a tracking system to ensure timely and adequate responses to Requests for Additional Information from the Commission within 30 days of the effective date of this agreement; and (d) pay a civil penalty of \$4,000 within 30 days of the effective date of this agreement.
7. Respondents agree that all information provided to resolve this matter is true and accurate to the best of their knowledge and that they sign this agreement under penalty of perjury pursuant to 28 U.S.C. § 1746.
8. The parties agree that if Respondents fail to comply with the terms of this settlement, the Commission may submit any unpaid civil penalty to the U.S. Treasury for collection or undertake civil action in the U.S. District Court for the District of Columbia to secure compliance.
9. This agreement shall become effective on the date signed by all parties and approved by the Commission. Respondents shall comply with the terms of this agreement as set out in paragraph 6 above.
10. This Negotiated Settlement constitutes the entire agreement between the parties on ADR 474 (RAD 08L-36) and resolves only those issues identified in paragraph 3 above. No other statement, promise or agreement, either written or oral, made by either party, not included herein, shall be enforceable.
