NEGOTIATED SETTLEMENT

This matter was initiated by the Federal Election Commission (Commission) pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Following review of the matter, and in an effort to promote compliance with the Federal Election Campaign Act of 1971, as amended, (FECA) and resolve this matter, the Commission entered into negotiations with Mark Sheridan, Esq., representing the New Jersey Republican State Committee and John O. Bennett, in his official capacity as Treasurer (the Committee or Respondents). It is understood that this agreement will have no precedential value relative to any other matters coming before the Commission.

Negotiations between the Commission and Respondents addressed the issues raised in this referral. The parties agree to resolve the matter according to the following terms:

1. The Commission entered into this agreement as part of its responsibility for administering the FECA, and in an effort to promote compliance on the part of Respondents. The Commission's use of alternative dispute resolution procedures (ADR) is guided by "The Administrative Dispute Resolution Act of 1996," 5 U.S.C. § 572 and is an extension of 2 U.S.C. § 437g.
2. Respondents voluntarily enter into this agreement with the Commission.
3. The Reports Analysis Division (RAD) referred the Respondents for the cumulative nature of deficiencies on reports filed with the Commission in the 2008 election cycle which disclosed the Committee was not in substantial compliance with the FECA.
4. A political committee may be referred if, after an internal review of reports filed by the committee, the Commission determines the reports do not meet the threshold requirements for substantial compliance with the FECA. 2 U.S.C. § 437(g).
5. Respondents acknowledge reporting challenges during the 2008 election cycle which occurred due to cost saving measures the Committee undertook. Respondents contend that they've taken steps to address the underlying issues raised in the referral. Specifically, the Committee asserts it is again using a vendor experienced in FEC compliance, it increased critical staff and communicated consistently with its RAD Analyst.

6. Respondents, in an effort to avoid similar errors in the future, agree to: (a) develop and implement a process for tracking receipt and response to communications from the Commission within thirty (30) days of the effective date of this agreement; (b) send a representative to a FEC conference within twelve (12) months of the effective date of this agreement; and (c) pay a civil penalty of \$3,000, divided into \$500 increments, within six months of the effective date of this agreement. The first payment would be made within thirty (30) days of the effective date of this agreement, and subsequent payments every thirty (30) days thereafter until paid in full.
7. Respondents agree that all information provided to resolve this matter is true and accurate to the best of their knowledge and that they sign this agreement under penalty of perjury pursuant to 28 U.S.C. § 1746.
8. The parties agree that if Respondents fail to comply with the terms of this settlement, the Commission may submit any unpaid civil penalty to the U.S. Treasury for collection or undertake civil action in the U.S. District Court for the District of Columbia to secure compliance.
9. This agreement shall become effective on the date signed by all parties and approved by the Commission. Respondents shall comply with the terms of this agreement as set out in paragraph 6 above.
10. This Negotiated Settlement constitutes the entire agreement between the parties on ADR 516 (RAD 09L-35), and resolves those issues identified in paragraph 3 above. No other statement, promise or agreement, either written or oral, made by either party, not included herein, shall be enforceable.
