Dear Lynn Fraser,

This is in response to your letter dated April 22, 2010.

In regards to your request for stipulations and terms we submit the following.

Whereas, we do not know for sure if any violation took place as we do not know where the addresses came from, and

Whereas, we did not knowingly or intentionally violate any law at the time, and

Whereas, we were not aware that such an action was, in fact, a violation of law at the time we sent out the questioned letters, and

Whereas, to the best of our knowledge we did not receive any contributions from such letter we sent out, and

Whereas, we have no way to find out if the addresses, we did receive, did in fact come from the FEC report, we

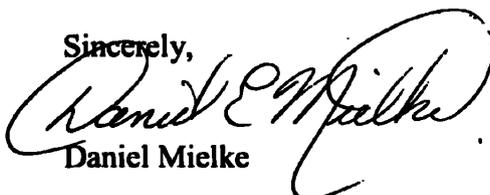

Therefore, offer the following stipulations or terms to resolve the matter.

- We agree to put forth diligent effort to verify that any future addresses we receive from supporters do not, in fact, come from an FEC report.
- We agree to make sure that we do not use any names and addresses from the FEC reports to generate donations in the future.
- In the event that someone sends us a contribution and it is determined to have come from that initial fundraising letter in question, we agree that we will return the money to that individual.

Because our schedule changes from day to day, we really don't have any specific dates and times that we can give you at this time. It would be best if we could set these dates and times by phone conversation so as to make sure we are available. Someone is usually home most mornings at 715-344-4104. If we are not able to answer that call you can reach us by cell at 715-572-0801.

Note: Our campaign is predominately funded by our own money. We have liquidated all our cash in this campaign and we are presently in debt. All the money generated by the campaign has been spent to date. Our campaign debt exceeds any money still in our account.

Sincerely,

Daniel Mielke
