Re: ADR 585 (AR 11-02)
Respondents

Dear Mr. Anderson:

The Federal Election Commission (FEC or Commission) referred a compliance issue to the FEC's Alternative Dispute Resolution Office (ADR Office) for processing. The referral by the Office of General Counsel (OGC) was based on a review of reports filed by the Kansas Republican Party which reflect a possible failure to comply with the Federal Election Campaign Act of 1971, as amended.

The FEC established the ADR Program to provide an informal means for resolving matters that come before the Commission and to facilitate negotiations directly with the Kansas Republican Party and T.C. Anderson, Treasurer (Respondents or the Committee). The ADR Program provides Respondents with an opportunity to negotiate settlement of a matter that is mutually agreeable. The negotiations occur prior to any Commission consideration of whether there is reason to believe a violation has occurred. If negotiations are successful, the resulting settlement concludes the matter.

The Commission, in referring the matter to the ADR Office, determined that the case is eligible for processing in the ADR program. If Respondents decide to participate in the ADR Program, you must: 1) indicate in writing a willingness to have your case submitted for ADR processing; 2) agree to participate in the bilateral interest based negotiations; and 3) waive the statute of limitations while the matter is being processed under the FEC's ADR program.

The issues referred to the ADRO, and the focus of our subsequent negotiations are summarized as follows:

OGC referred the Kansas Republican Party and T.C. Anderson, Treasurer (Respondents or the Committee) for violations occurring during the 2007-2008 election cycle, specifically Findings 1 and 2 of the Final Audit Report approved on May 26, 2011. Finding 1 concludes that the Committee overstated beginning cash on hand by \$4,628, overstated receipts by \$11,885, understated disbursements by \$11,370, and overstated

ending cash on hand by \$27,883 in 2007, and, in 2008, overstated receipts by \$137,625, disbursements by \$71,812, and ending cash on hand by \$93,696. Finding 2 concludes that the Committee received a prohibited contribution in the amount of \$10,000 from a limited liability company that elected to be treated as a corporation for taxation purposes.

If after reviewing this letter and the enclosed ADR Frequently Asked Questions, which describe the ADR program, Respondent(s) would like to participate in ADR processing, you need to affirmatively indicate that on the enclosed Commitment to Submit Matter to ADR form. **Failure to respond affirmatively within fifteen (15) business days of receipt of this letter will be taken as a notice of disinterest in the program and your case will be dropped from further consideration for ADR.** In that event, your case will be sent to the FEC's Office of General Counsel for further processing, and the likelihood that the Committee will be audited during the next election cycle will increase.

This matter has been designated as **ADR 583**. Please refer to this number in future correspondence with the FEC. If you have questions about the ADR Program, please contact the ADRO at my direct dial as indicated below

Sincerely,

Krista J. Roche, Assistant Director
