Dear Mr. Jordan,

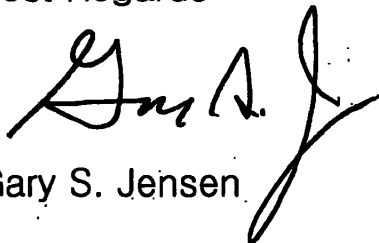

I have received the copy of the complaint you have issued my campaign on August 19, 2011.

Fleetwood International Development owns a warehouse and manufacturing facility at 2019 Thornton Road located in Ferndale, State of Washington. One of their renters at this facility is Sampson Rope Company. Fleetwood International Development also owns other property in the area adjacent to this address.

I called Jennifer Hansen of the State of Washington Public Disclosure Commission when I received this check. She stated that if the company was doing business in the State of Washington then the contribution was legal. The check was only deposited after this knowledge.

If this opinion is not correct, we will reimburse Mr. Smith of Fleetwood International Development. I can be contacted at (360)815-6135 if you would like to speak directly.

Best Regards

Gary S. Jensen
