RE: MUR# 6608

Patterson Fan Company received this complaint, and near as we can tell it refers to the banner shown on the page with the Asheville Gun Show.

The portable exhibit shown in the photograph was leased to the Families and Friends of Vance campaign. The banner was in the case with the portable booth and was used by the campaign. Knowing this may have been a violation the booth has been returned to Patterson Fan. Should the booth be leased to another campaign the banner will be removed so there will be no further violation.

Thank you for bringing this to our attention.
