RE: Request for Investigation into the election intentions of "Anna C. Little for Congress"

To whom it may concern:

It was brought to my attention on May 15, 2012 that neither Anna C. Little nor any "Anna C. Little for Congress Committee-2012" has filed a "Statement of Organization" with you:

<http://www.moremonmouthrausings.net/2012/05/15/little-still-not-registered-with-fec-as-a-candidate-for-congress/>

It is also my understanding that once your name is on the ballot or if you raise more than \$5000 you MUST file. Ms. Little has been and is actively campaigning as a Congressional Candidate in New Jersey's 6th Congressional District, but she has not filed with you. She was also previously campaigning for the U.S. Senate nomination but was unsuccessful in getting her name on the ballot; I do believe she filed a Statement of Organization for that race.

However, I am unable to find any funds she had raised for her U.S. Senate race, her former congressional race in 2010, or her current congressional race in the 6th District of New Jersey. I am requesting a full investigation into her intentions. All other candidates make it a point to comply with the FEC and I am finding this to be very suspicious behavior.

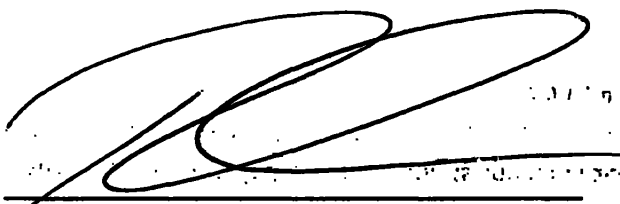

Please understand that *time is of the essence* because the Primary Election in New Jersey is June 5th.

Thank you kindly,

Mr. Charles Measley
