RE: Disclaimers

Ms. Heilider;

Per our conversation on December 30th, 2013, please find enclosed copies of the discussed materials. The disclaimer oversight was identified and corrected early as stated in a previous letter to the Commission.

In addition, as stated the total walking cards that were distributed is approximately 50-75; and less than 50 yards signs. I am pursuing every possible way to identify them in order to place a disclaimer sticker.

Again, thanks for taking the time to speak with me regarding this matter.

Respectfully,

Councilwoman Joyce Dickerson
