SUBJECT: ADR 709 Nevada State Democratic Party and Jan
Churchill, Treasurer, Informational Memo on Assignment

The Reports Analysis Division (RAD) referred RAD 14L-09 for processing on March 28, 2014, and the ADR Office designated the referral ADR 709. We include a summary and discussion of the referral for your information. We anticipate initiating communication with Respondents in ADR 709 on April 4, 2014. Please contact Krista Roche if you have any questions or concerns before then.

Summary of Case: RAD referred Nevada State Democratic Party and Jan Churchill, Treasurer (Respondents or the Committee) for failing to disclose all financial activity on their original 2012 Year-End Report filed on January 31, 2013. On June 18, 2013 the Committee filed an Amended 2012 Year-End Report that disclosed \$164,020.35 in additional debt.

In memo text attached to an Amended 2012 Year-End Report filed on September 20, 2013, the Committee stated that it experienced an extraordinarily high volume of activity during the 2012 election cycle and that the quick departure of staff after the election left the Committee with an incomplete picture of outstanding obligations. The Committee contends that once additional information was obtained regarding outstanding obligations, reports were amended.
