Re: ADR 732 (RAD 14L-27)  
Friends of John Boehner and Lisa Lisker, Treasurer

Dear Ms. Lisker:

The Federal Election Commission (FEC or Commission) referred a compliance issue to the FEC's Alternative Dispute Resolution Office (ADR Office) for processing. The referral by the Reports Analysis Division (RAD) was based on a review of reports filed by Friends of John Boehner which reflect a possible failure to comply with the Federal Election Campaign Act of 1971, as amended

The FEC established the ADR Program to provide an informal means for resolving matters that come before the Commission and to facilitate negotiations directly with Friends of John Boehner and Lisa Lisker, Treasurer (Respondents or the Committee). The ADR Program provides Respondents with an opportunity to negotiate settlement of a matter that is mutually agreeable. The negotiations occur prior to any Commission consideration of whether there is reason to believe a violation has occurred. If negotiations are successful, the resulting settlement concludes the matter.

The Commission, in referring the matter to the ADR Office, determined that the case is eligible for processing in the ADR program. If Respondents decide to participate in the ADR Program, you must: 1) indicate in writing a willingness to have your case submitted for ADR processing; 2) agree to participate in the bilateral interest based negotiations; and 3) waive the statute of limitations while the matter is being processed under the FEC's ADR program.

The issues referred to the ADRO, and the focus of our subsequent negotiations, are summarized as follows:

**SUMMARY:** RAD referred Friends of John Boehner and Lisa Lisker, Treasurer (Respondents or the Committee) for failing to remedy excessive 2012 Primary and General Election contributions timely. The Committee received excessive contributions totaling \$57,276 for the 2012 elections from thirty-two (32) individuals, four (4) multicandidate political actions committees, and three (3) non-multicandidate political

action committees. The Committee did not timely refund, reattribute or redesignate these contributions.

Respondents contend, in several Miscellaneous Text messages (Form 99) filed in response to RFAs concerning the possible excessive contributions, outlining the corrective action taken regarding the apparent excessive contributions.

If after reviewing this letter and the enclosed ADR Frequently Asked Questions, which describe the ADR program, Respondents would like to participate in ADR processing, you need to affirmatively indicate that on the enclosed Commitment to Participate in ADR form. **Failure to respond affirmatively within fifteen (15) business days of receipt of this letter will be taken as a notice of disinterest in the program and your case will be dropped from further consideration for ADR.** In that event, your case will be sent to the FEC's Office of General Counsel for further processing, and the likelihood that the Committee will be audited during the next election cycle will increase.

This matter has been designated as **ADR 732**. Please refer to this number in future correspondence with the FEC. If you have questions about the ADR Program, please contact the ADRO at my direct dial as indicated below

Sincerely,

Lynn M. Fraser, Director
