Re: ADR 737 (RAD 14L-35)
Pure Political Action Committee and Mary Doster, Treasurer

Dear Mr. Doster:

The Reports Analysis Division of the Federal Election Commission ("FEC" or "Commission") determined that matters arising from its recent review of reports filed by Pure Political Action Committee warranted further examination for possible violation of the Federal Election Campaign Act of 1971, as amended.

After considering the circumstances of this matter, the Commission determined to exercise its prosecutorial discretion and take no further action against the Respondents Pure Political Action Committee and Mary Doster, Treasurer. In its memorandum to the Commission, dated February 3, 2015, this office recommended:

SUMMARY: The Reports Analysis division referred Respondents for failing to timely file three (3) 48-Hour Reports totaling \$28,461.72 to support three (3) independent expenditures disclosed on the 2013 Year-End Report as "media placement" costs. The Committee provided a sworn affidavit from its vendor indicating that these costs were for general consulting, not related to any public communication. On the basis that the costs were general consulting costs unrelated to any public communication, the ADR Office recommends dismissal as no 48-Hour Reports would have been required for such costs.

Accordingly, the Commission closed its file in this matter on March 16, 2015.

The FEC is obligated by federal regulations to make a finding to terminate its proceedings public, as well as the basis therefore. 11 C.F.R. § 111.20(b). In addition, the Commission will also place on the record copies of the referral and reports prepared for the Commission by this office to assist in its consideration of this matter. In accordance with federal statute, copies of documents relative to this matter will be forwarded to the FEC's Public Information Office.

If you have any questions regarding this matter, please contact this office.

Sincerely,

Krista J. Roche
