On February 27, 2013, the Reports Analysis Division (RAD) Analyst received a call from Jillian Johnson, a Committee representative. Ms. Johnson stated that she was calling regarding the RFAIs referencing the Amended 2012 May Monthly and the Amended 2012 October Monthly Reports that asked for clarification regarding the increases in activity disclosed on multiple reports. Ms. Johnson explained that the Committee does not always obtain information on donors during the reporting period; they amend their reports and add the information later. The Analyst advised that the Committee should file a Miscellaneous Electronic Submission (Form 99) to explain the situation for the public record (Attachment 5).

On February 28, 2013, the Committee filed a Form 99, which stated, in part:

"We are a railroad union and our members voluntarily may contribute to what we title the "Signalmen's Political League" (SPL), our internal name for the Political Action Committee. These deductions are made by their employers (Carriers) and deposited into our PAC account or a check is mailed to our office. With this, the carriers are to include a "deduction sheet" so that we will know who has given and in what amount on each deposit or check. On some occasions the Carrier does not provide the deduction sheet at the time of the payment and we are left to track it down. With this process, we are not always able to find this information in time for each monthly report. When we receive this information, an amendment is filed. We work diligently each time to provide accurate information at the time each report is due, and work regularly with each carrier to receive a complete deduction sheet from them, but, at times, we are unable to obtain that information in a timely fashion.

As an example, in 2011 the Long Island Rail Road switched accounting systems, with this switch they did not account for sending the deduction sheets to us. It took several months of chasing down different contacts in the payroll department to fix this error and for us to receive these itemized deduction sheets. However, during this time, they continued to make the correct deposits into our SPL account, we just could not pin point who had given what amounts as individual. The check from our members' donations on the Long Island Rail Road are routinely between \$1,000 and \$2,000.

We had a similar situation occur in 2012 on the Norfolk Southern, they switched accounting systems and began depositing the correct amount of money into our SPL account, but sent us deduction sheets for other unions. This error was noticed almost immediately by our staff, but was not corrected on the part of the carrier until well into the second half of 2012 at which time we made the amendments with the FEC.

These are but a few examples, which account for some of the amendments, but they pop up from time to time on many of our carriers, and we report the accurate information as we receive it, which may result in an amendment to an original report" (Image 13961078339).

On July 16, 2013, the Committee filed an Amended 2012 October Monthly Report. The report disclosed \$10,987.84 in receipts on Line 11(a)(iii) of the Detailed Summary Page, an increase of \$2,033.34 from the original report (Image 13964092844, Attachment 3).

On August 11, 2014, the RAD Analyst spoke with Jillian Lasky². The Analyst explained that the increases in financial activity referenced in the RFAs sent to the Committee on the Amended 2012 May Monthly and the Amended 2012 October Monthly Reports could be forwarded to another office for further Commission action. The Analyst stated that the purpose of the call was to give the Committee the opportunity to provide clarifying information for the public record (Attachment 5).

To date, no further communications have been received from the Committee regarding this matter.

² During the course of the telephone conversations, the Committee representative's name changed from Jillian Johnson to Jillian Lasky.
