Dear Ms. Collins,

This is in response to the complaint registered with the FEC. As a follow-up to Ms. Ginger Vuich's letter of March 17, 2015 as she was the Volunteer Treasurer at the time of the dispute. It is my understanding Ms. Vuich spent well over 30 hours on the phone with the FEC and was trying to do the right thing. As a small campaign, we did not have the luxury of highly paid, or experienced staff. We sincerely apologize for not getting this right. Ms. Vuich honestly thought it was okay to make the donation (and her husband went in the ICU three days before the election). And, I called at the end of last year for help with the reports and the woman I spoke with didn't seem to have a problem with it.

We didn't get much traction for 'middle of the road independents', and have filed termination reports for the Eagles Party PAC (C00557017, termination report - 999482) and the campaign (C00562157, termination report - 999464). Also, for the CIVIC PAC (C00566026, termination report - 999483), but that treasurer will send a note. The donations for both PAC's have been refunded.

Please let me know what else I can do to answer any questions or charges. I do have in my possession all the files, receipts and documents. Do I need also to send this in written form, or will this count as my response?

Sincerely,

Gwendolyn

Gwendolyn J. Beck
