RE: MUR 6935

Dear Mr. Levy:

On April 28, 2015, the Federal Election Commission ("Commission") notified your clients, Donovan for Congress and William Deluccio in his official capacity as treasurer (collectively the "Committee") of a complaint alleging violations of the Federal Election Campaign Act of 1971, as amended (the "Act") and Commission regulations. A copy of the complaint was forwarded to the Committee and the matter was numbered MUR 6935. On June 24, 2015, we received a response from you on behalf of the Committee.

This letter is to advise you that the matter is under review by the Office of General Counsel. We expect to forward our recommendations to the Commission by August 31, 2016. After the Commission votes, you will receive notification of the Commission's determination.

This matter will remain confidential in accordance with 52 U.S.C. §§ 30109(a)(4)(B) and 30109(a)(12)(A) unless your clients notify the Commission in writing that they wish the matter to be made public. Please note that your clients have a legal obligation to preserve all documents, records and materials relating to this matter until such time as you are notified that the Commission has closed its file in this matter. See 18 U.S.C. § 1519.

This status report is being provided in accordance with Commission Directive 68 (Enforcement Procedures), available at www.fec.gov. If you have any questions, please contact me at (202) 694-1650.

Sincerely,
