FEDERAL ELECTION
COMMISSION

2016 MAY -4 AM 10:55

In the matter of: Robert Klepinger
R. Klepinger for Congress

OFFICE OF GENERAL
COUNSEL

MUR 7036

MUR # 7036

AMENDED AND SUPPLEMENTAL COMPLAINT

1. On March 11, 2106 Citizens for Turner ("CFT") brought this complaint before the Federal Election Commission ("Commission") seeking immediate investigation and an enforcement action against Robert Klepinger and R. Klepinger for Congress for direct and serious violations of the Federal Election Campaign Act ("Act").
2. Since the filing of the Complaint, additional facts have been brought to light concerning the failure of Respondents to comply with provisions of the Act governing the use of public disclosures for the solicitation of contributions and Respondents' failure to respond to a formal inquiry from the Commission. Compl.

Complainants

3. Complainant CFT (FEC#C00373001) is the principal campaign committee for Michael R. Turner. Turner currently represents the Tenth Congressional District of Ohio, which includes all or part of Montgomery, Greene, and Fayette Counties.
4. Complainant Wayne Waite is legal counsel for CFT, a citizen of the United States, and a registered voter and resident in the State of Ohio. As a registered voter, Mr. Waite is harmed when a candidate, political committee, or other regulated entity fails to report campaign finance activity as required by the Act. See *FEC v. Akins*, 524 U.S. 11, 19 (1998), quoting *Buckley v. Valeo*, 424 U.S. 1, 66-67 (1976) (political committees must disclose contributors and disbursements to help voters understand who provides which candidates with financial support).

Respondents

5. Respondent Robert Klepinger is a Democrat candidate for the Tenth Congressional District of Ohio, and a candidate for Federal office, as defined by 52 U.S.C. §30101(2)-(3), and as such, is subject to the jurisdiction of the Commission.

6. Respondent R. Klepinger for Congress (C00565622) is apparently the principal campaign committee, as defined by 52 U.S.C. §30101(5), for Robert Klepinger, and is therefore subject to the jurisdiction of the Commission.

Factual Allegations

7. This complaint principally concerns the failure of Robert Klepinger and R. Klepinger for Congress ("Respondents") to comply with provisions of the Act governing required disclaimers in fundraising materials; use of public disclosures for the solicitation of contributions; required disclosure of contributions and/or expenditures; and failure to respond to a formal inquiry from the Commission.

COUNT I

Failure to Include Required Disclaimers in Fundraising Materials

8. The Act and Commission regulations require that, in printed communications, disclaimers must be contained within a printed box set apart from the contents of the communication, the print must be of sufficient size to be clearly readable by the recipient of the communication, and the print must have a reasonable degree of color contrast between the background and the printed statement. 52 U.S.C. §30120(c); 11 CFR 110.11(c)(2)(ii).
9. On information and belief, Exhibit 1 is a true and accurate copy of Respondents' website www.klepinger2016.com.
10. Exhibit 1, on the face of the document, does not contain any disclaimer whatsoever.
11. On information and belief, Exhibit 2 is a printed communication from Respondents.
12. Exhibit 2 contains an insufficient disclaimer, as it is not included in a printed box set apart from the contents of the communication.
13. On information and belief, Respondents have failed to comply with the Act and Commission regulations which require clear and conspicuous placement of the disclaimer notice, in violation of 11 CFR 110.11(a) and 11 CFR 110.11(c)(2)(ii).

COUNT II

Use of Public Disclosures for Soliciting Contributions

14. The Act and Commission regulations prohibit the use of information obtained from public disclosures for the solicitation of contributions.

15. In relevant part, the Act states that, "any information copied from such reports or statements may not be sold or used by any person for the purpose of soliciting contributions or for commercial purposes, other than using the name and address of any political committee to solicit contributions from such committee." 52 U.S.C. §30111(a)(4).
16. On information and belief, on or about July 18, 2014, Respondents distributed the document attached as Exhibit 3, wherein Respondents solicited contributions from each and every contributor listed in Complainant CFT's public disclosures, stating, "My name is Robert Klepinger and I am running as a Democrat in Ohio's 10th Congressional District. I am running against Republican Mike Turner. From what he has publicly disclosed you have donated to his political campaign and I was hoping you could donate to my campaign also." See Exhibit 3.
17. On information and belief, Respondent Klepinger expressly admits in correspondence that he used Complainant CFT's public disclosure to solicit a contribution.
18. On information and belief, Respondents used public disclosures to solicit contributions in violation of 52 U.S.C. §30111(a)(4).
19. On information and belief, Respondent Robert Klepinger was interviewed for a newspaper article regarding the filing of the Complaint. See Exhibit 4.
20. On information and belief, Respondent Robert Klepinger expressly admits to using Complainant CFT's public disclosures, accessed through the website www.opensecrets.org, to solicit contributions in violation of 52 U.S.C. §30111(a)(4). See Exhibit 4.
21. On information and belief, each solicitation in which Respondents used Complainant CFT's public disclosures to solicit contributions constitutes a separate violation of 52 U.S.C. §30111(a)(4).

COUNT III

Required Reporting of Receipts and/or Disbursements

22. The Act and Commission regulations require a principal campaign committee for a candidate for the House of Representatives to file reports of receipts and disbursements. 52 U.S.C. §30104(a); 11 CFR 104.1; 11 CFR 104.3.
23. Specifically, the Act requires a principal campaign committee to file a pre-election report, post-general election report, and additional quarterly reports "in any calendar year during which there is a regularly scheduled election for which the candidate is seeking election, or nomination for election..." 52 U.S.C. §30104(a)(2)(A).

24. Additionally, the Act requires a principal campaign committee to file quarterly reports "in any other calendar year." 52 U.S.C. §30104(a)(2)(B).
25. A regularly scheduled election for which Respondent Robert Klepinger sought election or nomination for election occurred in 2014.
26. No regularly scheduled election for which Respondent Robert Klepinger sought election or nomination for election occurred in 2015.
27. A regularly scheduled election for which Respondent Robert Klepinger sought election or nomination for election occurs in 2016.
28. I have reviewed the Commission database containing all reports filed by Respondents and have not discovered certain reports the Respondents were required to file.
29. On information and belief, Respondents did not file reports of receipts and/or disbursements in 2014, 2015, or 2016, in violation of the Act and Commission regulations. See Exhibit 5 containing a print out from the fec.gov/fecviewer/CandidateCommitteeDetail pertaining to Robert P. Klepinger. This report printed on April 28, 2016 states no financial activity reported. *Id.*

COUNT IV

Failure to Respond to Formal Inquiry from the Federal Election Commission

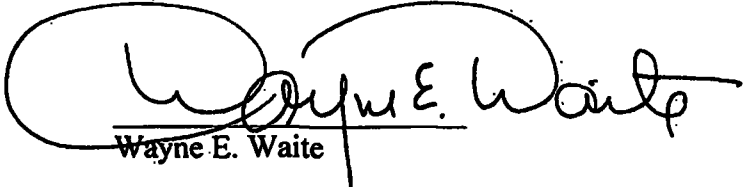

30. On July 2, 2014 Respondent Robert Klepinger filed FEC Form 1, Statement of Organization, a copy of which is attached hereto as Exhibit 6.
31. On July 21, 2014 the Commission provided notice to Respondent Robert Klepinger requesting information essential to full public disclosure of federal election campaign finances and stated, "an adequate response must be received by the response date noted above", which was 08-25-2014. The Commission advised Respondent Robert Klepinger that the Statement of Organization was incorrectly completed insofar as he had selected multiple committee types. The Commission advised Respondent Robert Klepinger that his committee may only select one type of committee and that he should amend the committee type by amending the statement of organization to disclose the correct committee type. The letter went on to explain how to correct the problem. A copy of the July 21, 2014 correspondence from the Commission to Respondent Robert Klepinger is attached hereto as Exhibit 7.
32. Respondent Robert Klepinger was warned by the Commission that failure to provide an adequate response by the response date of 08-25-2014 may result in an audit of the committee.
33. The Commission further warned Respondent Robert Klepinger that failure to comply with the provisions of the act may also result in an enforcement action against the committee.

34. Chris Jones, Campaign Finance Analyst, Reports Analyst Division on behalf of the Commission further offered to answer any questions that Respondent Robert Klepinger might have regarding the matter.
35. On information and belief and a search of the public record, Respondent Robert Klepinger ignored the request by the Commission.
36. On information and belief, according to the representation contained in the July 21, 2014 correspondence from the Commission, Respondent Robert Klepinger's Statement of Organization is defective.

RELIEF REQUESTED

Complainants respectfully request that the Federal Election Commission thoroughly investigate these allegations, in light of the new facts presented and Respondent Robert Klepinger's perennial candidacy for Federal office, order Respondents Robert Klepinger and R. Klepinger for Congress to fully comply with all laws and regulations, and order any other relief the Commission deems necessary.

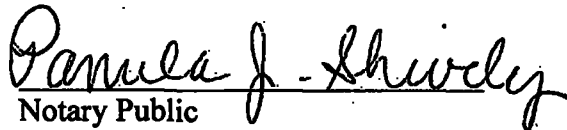

Respectfully submitted,

Democratic Candidate for Ohio's 10th Congressional District

I want to represent you, the citizens of Beavercreek, Bedford, Brookville, Cedarville, Cincinnati, Dayton, Englewood, Farmersville, Fairborn, Germantown, Huber Heights, Jankinsville, Kettering, Middletown, Norwalk, Oakwood, Oxford, Piquette, Reynolds, Trotwood, Vandalia, Washington Court House, West Carrollton, Xenia, Yellow Springs, and all points between.

Robert Kieplinger's Positions

Economy:

- I support lowering interest rates on student loans.
- I support the Affordable Care Act. My opponent has voted numerous times to repeal the ACA.
- I want to strengthen labor laws. Workers should be guaranteed overtime pay if they work more than eight hours in a day or more than forty hours in a week.
- I want to strengthen Social Security. I will oppose any effort to privatize.
- I do not believe in the failed policy of my opponent's party of "Trickle Down Economics". Supply Side Economics or as George Bush called it "No-Deal Economics", giving rich people tax breaks to make rich people richer. It does not increase employment or increase the income of workers. It has not increased employment or raised the income of workers. It has not increased employment or raised the income of workers. It has not increased employment or raised the income of workers.
- I support raising the minimum wage. It has not been raised since 2009. The current federal minimum is \$7.25 and \$2.13 for tipped employees.

Democracy:

- I am an established Democrat.
- Citizens should be automatically registered to vote at age 18. You are registered to pay taxes almost at birth when you are assigned a Social Security number. Voting is a right that should be afforded to all citizens. There should be no obstacles. I would also support making Election Day a national holiday.
- I support overruling the Citizens United ruling. Corporations are not people.

Environment:

- I support green energy. Wind and solar energy should be encouraged and rewarded at a federal level.
- I support public transportation, including but not limited to high speed rail.
- I would support legislation that would ban fracking.

Immigration:

- The United States of America is a nation of immigrants.
- Our founding fathers were United out of every different country in Europe.
- I am a descendant of immigrants, as is my opponent.
- My opponent has turned away to vote against opposing whatever immigrant group happens to be in the news. In July 2014 he was against immigrants from Central America (mostly children). In September 2015 he was against Syrian refugees. I am against building walls. I am against allowing foreign criminals or human traffickers entering the country. However, if history teaches us anything, demanding groups of people is simply wrong. It is wrong such as it is.

My name is Robert Klepinger and I am running as a Democrat in Ohio's 10th Congressional District. I am running against Republican Mike Turner. From what he has publicly disclosed you have donated to his political campaign and I was hoping you could donate to my campaign also.

I could ramble on, and make a long letter, but I am no politician, just a regular person wanting to do his civic duty and make things better for those who need help and support.

I ask of your organization two things.

1. The Democratic Party is not going to give me anything but their endorsement. I need money for my campaign. There is no amount too small, give what you can and I promise to do my best for the American people.
2. I would like your endorsement. Anything will do. Just a scrap of paper signed by a representative from your company would be fine. I have enclosed a self addressed stamped envelope for your check and or endorsement.

Thank you so very much for your time and consideration.

ELECTION 2016

Turner files FEC complaint

Incumbent Dayton congressman says challenger broke campaign law.

Related

By Jessica Wehrman

Washington Bureau

U.S. Rep. Mike Turner has launched a Federal Election Commission complaint against his long-shot Democratic challenger, saying he has solicited donations from Turner's own donor base:

In a complaint filed Friday, Turner, who is seeking his eighth term representing his Dayton-area district, said Democratic challenger Robert Klepinger has also failed to file required information about how much he has raised or spent during his campaign. Candidates are not required to do so unless they have raised or spent \$5,000.

Turner also said Klepinger failed to post the legally-required disclosure on his campaign website, www.klepinger2016.com. Federal election law requires "clear and conspicuous" placement of a disclaimer on campaign communications.

Turner's campaign also said that Klepinger used public information about donors to Turner's campaign to solicit donations for his own campaign.

As evidence, they cite a July 18, 2014, letter that Klepinger sent out reading, in part, "My name is Robert Klepinger and I am running as a Democrat in Ohio's 10th Congressional District. I am running against Republican Mike Turner. From what he has publicly disclosed, you have donated to his political campaign and I was hoping you could donate to my campaign also."

The FEC has yet to receive and process the complaint, according to a spokeswoman. Klepinger, reached my phone, said he didn't know it was forbidden to solicit donations from Turner's donors. He said he got the information off a website, www.opensecrets.org, that collects informations about donors.

"I didn't intentionally step on anybody's toes," he said. "I'm an amateur at this. I didn't know that wasn't allowed."

He said he sent that letter during his first bid for Congress. This time, he's only solicited money from family and friends. He has yet to raise the \$5,000 required to file campaign finance reports.

"Hey, as far as I'm concerned, complain about me," he said. "Get me in the newspaper, get me in the press. Get my name out there, Mike. If you want to make a complaint about a guy who didn't raise \$5,000 let's have it."

Klepinger said he is a high school teacher who ran in order to do his civic duty. He has no campaign manager, and a friend's son is his treasurer.

"I'm thinking this is more publicity for me, to be honest with you," he said.
