The Reports Analysis Division (RAD) referred RAD 17L-29 for processing on August 18, 2017, and the ADR Office designated the referral ADR 838. We include a summary and discussion of the referral for your information. We anticipate initiating communication with Respondents in ADR 838 on August 28, 2017. Please contact Krista Roche if you have any questions or concerns before then.

**Summary of Case:** RAD referred Stutzman for Senate and Christopher M. Marston, Treasurer (Respondents or the Committee) for failing to remedy excessive and prohibited contributions totaling \$95,540.31 for the 2016 Primary Election and \$775 for the 2016 General Election within the permissible timeframe.
