III. BACKGROUND:

Failure to Forward Earmarked Contributions within the Permissible Time Period

MoveOn.org Political Action ("the Committee") forwarded \$63,256.16 in deposited earmarked contributions received for authorized committees more than ten (10) days after receipt. The deposited earmarked contributions were reported on the Committee's 2016 April Quarterly, 2016 July Quarterly, and 2016 30 Day Post-General Reports (Attachment 2).

2016 April Quarterly Report

On June 9, 2016, the Committee filed the Amended 2016 April Quarterly Report, covering the period January 1, 2016 through March 31, 2016. The report disclosed eighty-five thousand one hundred fifty (85,150) deposited earmarked contributions totaling \$1,176,952.75 to authorized committees on Schedule A, supporting Line 11(a)(i) (Contributions From Individuals/Persons Other Than Political Committees) (Images 201606099017493427-521903). Of the deposited earmarked contributions received, two thousand nine hundred forty-six (2,946), totaling \$44,835.70, were disclosed on Schedule B with forwarding dates more than ten (10) days after receipt (Images 201606099017522085-48976).

On September 29, 2016, a Request for Additional Information (RFAI) was sent to the Committee referencing the Amended 2016 April Quarterly Report. Among other items, the RFAI noted that the Committee disclosed the apparent disbursement of earmarked contributions outside the permissible time period. Additionally, the RFAI stated that as a conduit or intermediary for an authorized committee, the Committee must forward any earmarked contribution, along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution (Images 201609290300062752-54).

On November 2, 2016, the Committee filed an Amended 2016 April Quarterly Report. The total number and amount of deposited earmarked contributions with forwarding dates more than ten (10) days after receipt remained unchanged from the Amended 2016 April Quarterly Report received on June 9, 2016 (Images 201611029037019713-75238).

Subsequently, on the same day, the Committee filed a Miscellaneous Electronic Submission ("FEC Form 99") in response to the RFAI. The FEC Form 99 stated, in part:

"The committee acknowledges, that due to some technical issues with its bundling tracking program, some earmarked contributions may not have been transferred within the required 10 day window. The committee has reviewed its procedrues *[sic]* and programs to ensure that this does not happen in the future" (Image 201611029037075325).

2016 July Quarterly Report

On November 2, 2016, the Committee filed the Amended 2016 July Quarterly Report, covering the period April 1, 2016 through June 30, 2016. The report disclosed seven thousand three hundred seventy (7,370) deposited earmarked contributions totaling \$63,108.22 to authorized committees on Schedule A, supporting Line 11(a)(i) (Images 201611029037076269-78726). Of the deposited earmarked contributions received, nine hundred ninety-two (992), totaling \$7,425.80, were disclosed on Schedule B with forwarding dates more than ten (10) days after receipt (Images 201611029037078985-82685).

On April 16, 2017, a Request for Additional Information (RFAI) was sent to the Committee referencing the Amended 2016 July Quarterly Report. Among other items, the RFAI noted that the Committee disclosed the apparent disbursement of earmarked contributions outside the permissible time period. Additionally, the RFAI stated that as a conduit or intermediary for an authorized committee, the Committee must forward any earmarked contribution, along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution (Images 201704160300084600-02).

On May 19, 2017, the Committee filed a FEC Form 99 in response to the RFAI. The FEC Form 99 stated, in part:

"In some cases, bundled contributions were transferred in excess of 10 days of receipt due to a software error. The software error has been resolved" (Image 201705199054038027).

On May 21, 2017, the Committee filed an Amended 2016 July Quarterly Report. The total number and amount of deposited earmarked contributions with forwarding dates more than ten (10) days after receipt remained unchanged from the Amended 2016 July Quarterly Report received on November 2, 2016 (Images 201705219055123298-9978).

2016 30 Day Post-General Report

On December 8, 2016, the Committee filed the 2016 30 Day Post-General Report, covering the period October 20, 2016 through November 28, 2016. The report disclosed seven hundred thirty-seven (737) deposited earmarked contributions totaling \$14,481.10 to authorized committees on Schedule A, supporting Line 11(a)(i) (Images 201612089037806853-7098). Of the deposited earmarked contributions received, five hundred thirty-nine (539), totaling \$10,994.66, were disclosed on Schedule B with forwarding dates more than ten (10) days after receipt (Images 201612089037807270-7517).

On May 21, 2017, a Request for Additional Information (RFAI) was sent to the Committee referencing the 2016 30 Day Post-General Report. The RFAI noted that the Committee disclosed the apparent disbursement of earmarked contributions outside the permissible time period. Additionally, the RFAI stated that as a conduit or intermediary for an authorized committee, the Committee must forward any earmarked contribution, along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution (Images 201705210300086676-77).

On May 23, 2017, Neil Reiff, a representative of the Committee, called the Reports Analysis Division (RAD) Analyst to request a list of the earmarked contributions forwarded outside of the permissible timeframe referenced in the RFAI. The RAD Analyst explained that all receipts earmarked for Deborah Ross for Senate and Russ for Wisconsin that were received on October 20, 2016 were not forwarded until October 31, 2016, eleven (11) days after receipt and one (1) day after the deadline. Mr. Reiff asked if the amounts being questioned were referable, and the RAD Analyst stated he could not give that information, but that he would contact the Committee again if their apparent violations were referred on for potential further action (Attachment 3).

On June 23, 2017, the Committee filed a FEC Form 99 in response to the RFAI. The FEC Form 99 stated, in part:

"The committee acknowledges that it passed on earmarked contributions one day longer than provided by the Commission's 10 day limit. The delay was caused by unforeseen *[sic]* issues in the committee's account's payable systems and the committee is developing procedures to ensure this does not happen in the future" (Image 201706239065082095).

On July 21, 2017, the RAD Analyst called Neil Reiff and explained the Committee would be referred for potential further action for the forwarding of deposited earmarks outside of the ten day permissible window on the Committee's 2016 April Quarterly, 2016 July Quarterly and 2016 30 Day Post-General Reports. The RAD Analyst stated the Committee was free to provide any additional clarification. Mr. Reiff explained the Committee would not do so and was familiar with the Commission's referral process (Attachment 3).

To date, no further communications have been received from the Committee regarding this matter.
