Re: ADR 880  
Massachusetts Democratic State Committee and Paul Yorkis, Treasurer

Dear Neil Reiff:

Enclosed is the signed copy of the Negotiated Settlement resolving the above-shown matter. The Negotiated Settlement was approved by the Commission on February 11, 2019 – the effective date of the agreement.

Note the specific time frames for compliance detailed in the agreement. Please forward to this office, a statement confirming Respondent's compliance with each term. The letter should note the dates on which Respondents satisfied each of the terms and contain the ADR case number. For your convenience, a compliance chart is attached.

Under the terms of the agreement, a civil penalty in the amount of \$7,050 is due on March 11, 2019. Kindly review the attached payment instructions for details on payment methods and the collection of unpaid debts.

As you are aware, the Negotiated Settlement will be made part of the record that is released to the public. The Commission will also place on the record copies of the complaint/referral, correspondence exchanged between your office and this office prior to our negotiations, and reports prepared for the Commission by this office to assist in its consideration of this matter. The Commission is obliged by Federal statute to place on the public record documents in closed enforcement and alternative dispute resolution cases; accordingly, copies of documents relative to this matter will be forwarded shortly to the FEC's Public Records Office.

This agreement resolves this matter. I appreciate your assistance in effectively resolving this matter and bringing the case to a mutually acceptable conclusion.

Sincerely,  
*Krista J. Roche*

## **ADRO Civil Penalty Payment Instructions**

You may remit payment by credit card, debit card, or ACH withdrawal from your bank account through Pay.gov, the federal government's secure portal for online collections. Visit [www.fec.gov/adrpayers](http://www.fec.gov/adrpayers) to be directed to Pay.gov's FEC ADR Payment form.

This penalty may also be paid by check or money order made payable to the Federal Election Commission. It should be sent by mail to:

Federal Election Commission  
Attn: Finance Office  
1050 First Street, NE  
Washington, DC 20463

### **Unpaid Civil Penalties**

Unpaid civil money penalties will be subject to the Debt Collection Act of 1982 ("DCA") as amended by the Debt Collection Improvement Act of 1996 ("DCIA"), 31 U.S.C. § 3701 et seq. If you do not pay this debt within 30 days (or file a written petition to a federal district court - see below), the Commission will transfer the debt to the U.S. Department of the Treasury ("Treasury") for collection. Within 5 days of the transfer to Treasury, Treasury will contact you to request payment. Treasury currently charges a fee of 30% of the civil money penalty amount for its collection services. If the age of the debt is greater than or equal to two years old, Treasury will charge a fee of 32% of the civil money penalty amount for its collection services. The fee will be added to the amount of the civil money penalty that you owe. Should Treasury's attempts fail, Treasury will refer the debt to a private collection agency ("PCA"). If the debt remains unpaid, Treasury may recommend that the Commission refer the matter to the Department of Justice for litigation.

Actions which may be taken to enforce recovery of a delinquent debt by Treasury may also include: (1) offset of any payments, which the debtor is due, including tax refunds and salary; (2) referral of the debt to agency counsel for litigation; (3) reporting of the debt to a credit bureau; (4) administrative wage garnishment; and (5) reporting of the debt, if discharged, to the IRS as potential taxable income. In addition, under the provisions of DCIA and other statutes applicable to the FEC, the debtor may be subject to the assessment of other statutory interest, penalties, and administrative costs.

In accordance with the DCIA, at your request, the agency will offer you the opportunity to inspect and copy records relating to the debt, the opportunity for a review of the debt, and the opportunity to enter into a written repayment agreement.

Case Number: ADR 880

Source: AR 2-749

Case Name: Massachusetts Democratic State Committee

**NEGOTIATED SETTLEMENT**

This matter was initiated by the Federal Election Commission (Commission) pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Following review of the matter, and in an effort to promote compliance with the Federal Election Campaign Act of 1971, as amended, (FECA) and resolve this matter, the Commission entered into negotiations with Neil Reiff, Esq., representing Massachusetts Democratic State Committee and Paul Yorkis, in his official capacity as Treasurer (the Committee or Respondents). It is understood that this agreement will have no precedential value relative to any other matters coming before the Commission.

Negotiations between the Commission and Respondents addressed the audit finding violations transferred to the ADR Office from the Audit Division in accordance with the certified vote of the Commission on June 26, 2018. The parties agree to resolve the matter according to the following terms:

1. The Commission entered into this agreement as part of its responsibility for administering the FECA, and in an effort to promote compliance on the part of Respondents. The Commission's use of alternative dispute resolution procedures (ADR) is guided by "The Administrative Dispute Resolution Act of 1996," 5 U.S.C. § 572 and is an extension of 52 U.S.C. § 30109.
2. Respondents voluntarily enter into this agreement with the Commission.
3. Audit fieldwork of the Committee's 2014 election cycle activity showed that Respondents failed to disclose debts and obligations in the amount of \$267,410.
4. Treasurers of political committees are required to disclose all financial activity, including the amount and nature of outstanding debts and obligations owed by or to the political committee. 52 U.S.C. § 30104(b)(8), 11 C.F.R. § 104.3(d).
5. Respondents contend that most of the debts (\$215,648 of the \$267,410) were paid within twenty (20) days or less, and due to the tight filing deadline requirements for the pre and post-general reports, debt reporting requirements were triggered during a short timeframe. Respondents contend that in every instance, the debts were related to the pre and post-general reporting periods, and all debts were paid by the next reporting period.
6. Respondents, in an effort to avoid similar errors in the future, agree to: (a) perform required corrective action in accordance with the Corrective Action Plan (Exhibit A) within ninety

(90) days of the effective date of this agreement; (b) complete training in accordance with the Training Plan (Exhibit B) within ninety (90) days of the effective date of this agreement; and (c) pay a civil penalty of \$7,050 within thirty (30) days of the effective date of this agreement.

7. Respondents agree that all information provided to resolve this matter is true and accurate to the best of their knowledge and that they sign this agreement under penalty of perjury pursuant to 28 U.S.C. § 1746.
8. The parties agree that if Respondents fail to comply with the terms of this settlement, the Commission may submit any unpaid civil penalty to the U.S. Treasury for collection or undertake civil action in the U.S. District Court for the District of Columbia to secure compliance.
9. This agreement shall become effective on the date signed by all parties and approved by the Commission. Respondents shall comply with the terms of this agreement as set out in paragraph 6 above, and shall certify compliance with the above settlement terms in writing to the Alternative Dispute Resolution Office on or before the date each term becomes due.
10. This Negotiated Settlement constitutes the entire agreement between the parties on ADR 880 (AR 2-749), and resolves those issues identified in paragraph 3 above. No other statement, promise or agreement, either written or oral, made by either party, not included herein, shall be enforceable.

Re: ADR 880: Massachusetts Democratic State Committee and Paul Yorkis, Treasurer

Below is the corrective action plan for the Massachusetts Democratic State Committee per the Negotiated Settlement.

Finding/Issue	Corrective Action
Misstatement of Financial Activity	<p>I. Amend 2013-2014 cycle reports to correct the cash on hand at the beginning of 2013 and the misstatement of receipts during the election cycle. This corrective action may be implemented by filing a Form 99 to include transaction information where appropriate.</p> <p>II. Confirm the most recent disclosure report's cash balance is correct and does not need to be amended. If there is a discrepancy between the cash on hand and committee records, the most recent report should be amended to disclose the updated amount.</p> <p>III. State that the above changes are the result of prior period audit adjustments.</p>
Finding/Issue	Corrective Action
Reporting of Debts and Obligations	Provide documentation that demonstrates that expenditures totaling \$267,740 were not debts or amend 2013-2014 cycle reports to disclose the expenditures on Schedule D until extinguished.

How to respond to the required corrective action:

1. File an amendment – this is used when a committee needs to change, add, or delete information on the report (e.g., correcting year-to-date contribution totals).
