Re: ADR 883 (MUR 7369) Mike Crapo for U.S. Senate, et al.

Dear Mr. Neel:

On April 20, 2018, the Federal Election Commission (FEC/Commission) received a complaint filed by Daniel Stevens of the Campaign for Accountability alleging certain violations of the Federal Election Campaign Act of 1971, as amended.

After considering the circumstances of this matter, the Commission closed its file in this matter on March 19, 2019.

The FEC is obligated by federal regulations to make a finding to terminate its proceedings public, as well as the basis therefore. 11 C.F.R. § 111.20. In addition, the Commission will also place on the record copies of the complaint, correspondence exchanged between Respondents and the Commission, and reports prepared for the Commission by this office to assist in its consideration of this matter. Accordingly, copies of documents relative to this matter will be forwarded shortly to the FEC's Public Information Office.

Sincerely,

Krista J. Roche
