Informational Memo on Assignment

The Reports Analysis Division referred RAD 19L-01 for processing on February 12, 2019, and the ADR Office designated the referral ADR 898. We include a summary and discussion of the referral for your information. We expect initiating communication with Respondents in ADR 898 within five (5) business days. Please contact Krista Roche if you have any questions or concerns before then.

**Summary of Case:** RAD referred Maryott for Congress and Richard K. Frank, Treasurer (Respondents of the Committee) for failing to disclose all financial activity on the 2018 12 Day Pre-Primary Report, filed on May 26, 2018. On July 10, 2018, the Committee filed an Amended 2018 12 Day Pre-Primary Report including \$154,134.00 in additional disbursements.

The Committee filed a Miscellaneous Electronic Submission (Form 99) on November 5, 2018 indicating that the Amended 2018 12 Day Pre-Primary Report was filed to disclose the additional disbursements because the payments "were made via wire transfer and those payments were inadvertently overlooked" when they filed the original report. In addition, the Respondents state that "as soon as we became aware of the oversight, we filed an amendment."
