COMPLAINT

1. This complaint is filed pursuant to 52 U.S.C. § 30109(a)(1) and is based on information and belief that Principles First, Inc. (ID: C00679449) ("Principles First") has violated the Federal Election Campaign Act ("FECA"), 52 U.S.C. § 30104, *et seq.*
2. In the weeks before Montana's June 5, 2018 primary, Principles First spent at least \$49,350 on at least 127 television ads expressly advocating against the election of Matt Rosendale, a candidate seeking the Republican nomination for Montana's U.S. Senate seat, yet failed to file timely and accurate independent expenditure reports, depriving complainants and Montana voters of information to which they were legally entitled.
3. "If the Commission, upon receiving a complaint . . . has reason to believe that a person has committed, or is about to commit, a violation of [FECA] . . . [t]he Commission *shall* make an investigation of such alleged violation . . ." 52 U.S.C. § 30109(a)(2) (emphasis added); *see also* 11 C.F.R. § 111.4(a).

4. Campaign Legal Center (“CLC”) is a nonpartisan, nonprofit 501(c)(3) organization whose mission is to protect and strengthen the U.S. democratic process through litigation and other legal advocacy. CLC participates in judicial and administrative matters throughout the nation regarding campaign finance, voting rights, redistricting, and government ethics issues.

FACTS

5. Principles First, Inc. (“Principles First”) also known as Principles First PAC, is an independent expenditure-only political action committee (i.e., a “super PAC”) that was active in Montana’s U.S. Senate primary election, which was held on June 5, 2018.¹

6. Matt Rosendale is a Republican candidate seeking election to the U.S. Senate from Montana.²

7. On May 22, 2018, Principles First began running \$26,625 in broadcast ads on three Montana stations—KPAX-TV/KAJ-TV, KECI, and KTMF—according to Federal Communications Commission (“FCC”) records.³ The political ad file accompanying one of the contracts described the ad as relating to the “U.S. House race for Montana primary.”⁴

8. A copy of the ad posted to the Advertising Analytics platform AdMo shows that the ad expressly advocated against Rosendale’s election by urging viewers: “On June 5th Vote NO! on Maryland Matt Rosendale.”⁵ The ad concluded with the message: “Principles First is

responsible for the content of this advertising. Paid for by Principles First and not authorized by any candidate or candidate's committee.”⁶

9. On May 23, 2018, Principles First filed a statement of organization with the Commission.⁷ The statement of organization designated Randall Lee Pullen as the committee’s treasurer, listed a Scottsdale, Arizona address for the committee, and informed the Commission that it intended to raise unlimited funds and make independent expenditures.⁸
10. Also on May 23, 2018, an Arizona-based attorney for Principles First sent a letter to the station manager of KTMF ABC/FOX News in Missoula, Montana, responding to a cease-and-desist letter from Matt Rosendale for Montana.⁹ The Principles First letter argued that its ad describing Rosendale as “Maryland Matt” did not contain a factually inaccurate voiceover message; rather, the letter insisted “[i]t is clear that the advertisement in question is not misleading, it is not false, and it does not materially misrepresent any facts surrounding this issue.”¹⁰
11. On May 25, 2018, *MTN News* reported that Principles First, a “little-known group,” had purchased \$50,000 in airtime for a TV ad attacking U.S. Senate candidate Matt Rosendale.¹¹ As *MTN News* described:

The ad refers to Rosendale as “Maryland Matt” – a pejorative often used by Democrats to label him as a recent arrival to the state – and says he signed legal documents “affirming he’s a Maryland citizen.” Rosendale moved from Maryland to Montana in 2002.

Rosendale's campaign denounced the ad as "blatantly false," saying that a Maryland title company has said, in writing, that the 2015 land-sale document indicating Rosendale is a resident of Maryland is a mistake that it made.

Principles First PAC is not registered with the Federal Election Commission and a media buyer for the group did not return a telephone message from MTN.¹²

12. On May 30, 2018, Principles First spent an additional \$22,725 on broadcast ads on the same three Montana stations, KPAX-TV/KAJ-TV, KECI, and KTMF, according to FCC records.¹³
13. The officer listed on Principles First's FCC documents appears to be the treasurer listed on Principles First's reports filed with the Commission.¹⁴
14. On June 19, 2018, Principles First filed two separate amendments to its Statement of Organization. The first amendment reflected zero changes from the original.¹⁵ The second amendment changed the committee's email and mailing addresses, and removed the text appearing on the last page of the two previous versions saying that the committee intended to raise unlimited funds for independent expenditures.¹⁶
15. On July 7, 2018, Principles First filed a July Quarterly report disclosing \$90,000 in receipts from two contributors: \$40,000 from Alliance for a Better Tomorrow, Inc. on May 15, 2018, and \$50,000 from Almon Blain on May 16, 2018.¹⁷ Schedule E of the report disclosed

\$65,150 in independent expenditures supporting U.S. Senate candidate Russell Fagg: \$60,000 in TV ads and \$5,150 in digital ads disseminated on May 18, 2018.¹⁸ Also on July 7, 2018, Principles First filed a 24-hour independent expenditure report disclosing those same independent expenditures.¹⁹

SUMMARY OF THE LAW

16. A political committee must comply with the organizational and recordkeeping requirements of 52 U.S.C. § 30102, and must file periodic disclosure reports, either on a monthly or quarterly basis, of its receipts and disbursements, 52 U.S.C. § 30104(a)(4)(A)-(B).
17. Independent expenditures are expenditures that expressly advocate the election or defeat of a clearly identified federal candidate and are not coordinated with such candidate or political party. 52 U.S.C. § 30101(17); 11 C.F.R. § 100.16(a).
18. Every person that makes independent expenditures aggregating \$1,000 or more less than 20 days, but more than 24 hours, before the date of an election must report the expenditures within 24 hours. 52 U.S.C. § 30104(g)(1)(A); 11 C.F.R. §§ 104.4(c), 104.5(g)(2), 109.10(d). The person must file an additional 24-hour report each time the person makes subsequent independent expenditures in that election aggregating \$1,000 or more. *Id.*
19. Such reports must disclose information regarding the committee's independent expenditures, including the date, amount, and purpose of the independent expenditure and a statement indicates whether it is in support of, or in opposition to, a candidate, as well as the name and office sought by that candidate, and the identity of any person to whom over \$200 was

disbursed in connection with the independent expenditure. 52 U.S.C. § 30104(b)(6)(B)(iii); 11 C.F.R. §§ 104.4(c), 104.3(b)(3)(vii), 109.10(d)-(e).

20. A political committee that makes independent expenditures must itemize them on its periodic reports. 52 U.S.C. §§ 30104(b)(4)(H)(iii), (6)(B)(iii); 11 C.F.R. § 104.4(a).
21. The Supreme Court has repeatedly recognized the importance of campaign finance disclosure to informing the electorate. *See, e.g., Citizens United v. FEC*, 558 U.S. 310, 369 (2010) (discussing the public interest in “knowing who is speaking about a candidate shortly before an election.”).

CAUSES OF ACTION

I. PRINCIPLES FIRST, INC. FAILED TO REPORT INDEPENDENT EXPENDITURES

22. Published reports and FCC records indicate that Principles First spent at least \$49,350 to air at least 127 broadcast advertisements in Montana that expressly advocated against the election of Montana Congressional candidate Matt Rosendale (“Vote NO! on Maryland Matt Rosendale”) and did so within 20 days before the June 5th election.²⁰ These advertisements constituted independent expenditures as that phrase is defined in FECA. 52 U.S.C. § 30101(17); 11 C.F.R. § 100.16(a).
23. According to FCC records, Principles First spent:
 - a. \$16,100 on 30 ad spots that ran May 22, 2018 through May 29, 2018 on the KPAX-TV/KAJ-TV station in Missoula, Montana;²¹

- f. \$625 on 10 spots that ran May 30, 2018 through June 5, 2018 on the KTMF station in Missoula, Montana.²⁶

24. A political committee that makes independent expenditures aggregating \$1,000 or more less than 20 days before the date of an election must report the expenditures within 24 hours, and file additional 24-hour reports each time subsequent independent expenditures aggregate an

²² Exhibit D at 1-4. On the attached "Agreement Form for Non-Candidate/Issue Advertisements," the "No" box is selected in response to the question, "Does the programming (in whole or in part) communicate 'a message relating to any political matter of national importance?'" *Id.* at 6. However, the preceding contract displays the "Political Issue" designation in the "Product" field, *id.* at 1, 2, and complainants are not aware of any evidence to suggest Principles First was running ads during that period that were not tied to the Montana U.S. Senate race.

²³ Exhibit E at 1-3. A previous version of this filing, dated three days earlier, included an attached agreement form answering "No" to the question, "Does the programming (in whole or in part) communicate 'a message relating to any political matter of national importance?'" However, the most recent version available in the FCC files omitted that attachment. The exhibits cited in this complaint reflect the most recent versions of the records on file with the FCC.

²⁴ Exhibit F at 3.

²⁵ Exhibit G at 1-4. On the attached "Agreement Form for Non-Candidate/Issue Advertisements," the "No" box is selected in response to the question, "Does the programming (in whole or in part) communicate 'a message relating to any political matter of national importance?'" *Id.* at 6. However, the preceding contract displays the "Political Issue" designation in the "Product" field, *id.* at 1, 2, and there is no reporting nor other evidence to suggest Principles First was running ads during that period that were not tied to the Montana U.S. Senate race.

²⁶ Exhibit H at 1-4. On the attached "Agreement Form for Non-Candidate/Issue Advertisements," the "No" box is selected in response to the question, "Does the programming (in whole or in part) communicate 'a message relating to any political matter of national importance?'" *Id.* at 6. However, the preceding order displays the "Political/Vote" designation in the "Con Type" field, *id.* at 3, and there is no reporting nor other evidence to suggest Principles First was running ads during that period that were not tied to the Montana U.S. Senate race.

additional \$1,000. 52 U.S.C. § 30104(g)(1)(A); 11 C.F.R. §§ 104.4(c), 104.5(g)(2), 109.10(d).

25. On July 7, 2018, several weeks after the independent expenditures were disseminated, Principles First filed two 24-hour independent expenditure reports: one disclosing \$60,000 for “TV ad Montana,” and one disclosing \$5,150 for “Digital Ad.”²⁷
26. By failing to timely file these independent expenditure reports for its spending on communications expressly advocating against the election of Matt Rosendale, Principles First repeatedly violated 52 U.S.C. § 30104(g)(1).²⁸

PRAYER FOR RELIEF

27. Wherefore, the Commission should find reason to believe that Principles First, Inc. has violated 52 U.S.C. § 30101 *et seq.*, and the Commission should conduct an immediate investigation under 52 U.S.C. § 30109(a)(2).
28. Further, the Commission should seek appropriate sanctions for any and all violations, including civil penalties sufficient to deter future violations and an injunction prohibiting the respondents from any and all violations in the future, and should seek such additional remedies as are necessary and appropriate to ensure compliance with the FECA.

Re: Response to Cease and Desist False Advertisement Regarding Matt Rosendale

My firm represents Principles First, Inc. regarding the false claim lodged by Mr. Rosendale and his Campaign against Principles First's advertisement titled "Wrong for Montana."

Mr. Rosendale and his Campaign are attempting to silence Principles First by falsely claiming that their advertisement "Wrong for Montana" is deliberately misleading, false, or that it materially misrepresents facts. The efforts of Mr. Rosendale and his Campaign to trounce the First Amendment right of Principles First by making such false allegations is very troubling and your station should reject their baseless efforts and allow "Wrong for Montana" to remain on the air.

The voiceover portion of "Wrong for Montana" that has been called into question states:

On the Maryland Catch: Montana Senate candidate, "Maryland" Matt Rosendale, hits a big snag by signing legal documents affirming he is a Maryland citizen...

The voiceover is factually accurate. The issue of whether Mr. Rosendale falsely and/or erroneously signed a Certification of Exemption from Withholding Upon Disposition of Maryland Real Estate Affidavit of Residence or Principal Residence ("WH-AR") has been a recent issue that his campaign has been forced to explain.

It is beyond disputed that in 2015, Mr. Rosendale signed the WH-AR in question. The form provides for three Reasons of Exemptions, 1) the transferor is a resident of the State of Maryland, 2) the transferor is a resident entity per Maryland law and the person signing the form is an agent thereof, or 3) the transferor is no longer a Maryland residence, but the property is their principal address.

18100312912

The first Reason for Exemption is checked, and the form is signed by Mr. Rosendale with the declaration that “[u]nder penalty of perjury, I certify that I have examined this declaration and that, to the best of my knowledge, it is true, correct, and complete.”

Once this document was uncovered, various media outlets have been covering this very issue which would certainly qualify as Mr. Rosendale’s campaign hitting a “big snag.” As an example, Don Pogreba recently wrote in the Montana Post:

....there are three points that seem awfully important for Rosendale to answer:

- 1) Shouldn’t he, as a real estate developer, have known the details about a real estate deal?
- 2) Given that the only reason someone would sign this document was to claim a tax break, why did he do it?
- 3) Shouldn’t the people of Montana be able to expect that a Senator or State auditor would be careful about reading and signing a document before committing perjury?

Mr. Pogreba’s points are very salient. At the time of signing the WH-AR, Mr. Rosendale was not a resident of the state of Maryland. Though much has been made over whether the Reason for Exemption was checked *before* or *after* Mr. Rosendale signed the form, this overlooks a significant point -- Mr. Rosendale should have never signed the form in the first place. Mr. Rosendale was not a resident of Maryland, he was not acting as an agent of a resident entity, and the property in question was not his principal residence.

I can appreciate that closing on a property can be a daunting and even intimidating task for an average person, but someone with the background and professional pedigree of Mr. Rosendale should have known not to sign the form.

Mr. Rosendale’s failure to perform an even cursory review of significant legal/transactional documents based on the purported excuse that he was given a “big packet” and that he “signed where flagged” is unconvincing. This issue clearly calls into question his fitness as a candidate and his constituents deserve to be informed accordingly.

It is clear that the advertisement in question is not misleading, it is not false, and it does not materially misrepresent any facts surrounding this issue. Your station should reject the wrongful attempt by Mr. Rosendale and his Campaign to silence Principles First and the advertisement “Wrong for Montana” should remain on the air. The First Amendment requires no less.

Thank you,

Re: Cease and Desist False Advertisement Regarding Matt Rosendale.

Dear Ms. Delany:

Our firm represents Matt Rosendale for Montana, the principal campaign committee of Matt Rosendale, candidate for the United States Senate from Montana. It has come to our attention that Principles First PAC has purchased air time on your network to run a negative advertisement titled "Wrong for Montana" targeting Matt Rosendale ("the Advertisement"). The Advertisement blatantly misrepresents Mr. Rosendale's residency.

We respectfully demand that your network refuse to air the Advertisement and that no similar airings of this misleading content be allowed on your network. Only your refusal to further disseminate this deliberately misleading and false Advertisement will satisfy your network's obligation to prevent the distribution of deceptive content to your audience. Any continued delivery of this content will make your network an active participant in distributing material misrepresentations of fact when our voters are owed true, honest, and fair information about their candidates.

The Advertisement claims that Mr. Rosendale signed legal documents affirming that he is a resident of Maryland. This is not the case. In fact, per the attached letter from the Atlantic Title Group, it is clear that they mistakenly sent Mr. Rosendale the wrong form and the Rosendales did not check any boxes relating to residency. The letter further acknowledges the Rosendales were indeed residents of Montana at the time of the sale of

land in question. In addition, it was the title company, not the Rosendales, who later wrongly checked the residency box. Thus, Mr. Rosendale never affirmed that he was a resident of Maryland, and to suggest otherwise is false and misleading.

This attack by Principles First PAC does not constitute a "candidate use." Under *Columbia Broadcasting Sys., Inc. v. Democratic Nat'l Comm.*, 412 U.S. 94 (1973), and *Nat'l Conservative Political Action Comm.*, 89 FCC 2d 626 (1982), your station is not obligated to air any third-party advertisements, such as those aired by Principles First PAC. Simply put, Principles First PAC does not have a guaranteed right of access to air the Advertisements on your network, and your network is not protected from legal liability for airing the Advertisement.

Broadcast licensees have a legal responsibility to review and to eliminate any false, misleading, or deceptive materials contained in advertising. We urge you to recognize Principles First PAC's blatant disregard for the facts and respectfully demand that your network refuse to air this false Advertisement. We further request that you reject any attempts by Principles First PAC to purchase time for the future airing of this Advertisement because of its material misstatements of fact and blatant disregard for the truth.

Thank you for your prompt attention to this matter. Please contact me at your earliest convenience to advise on your network's actions regarding the airing of this Advertisement.

Re: MD Withholding Form

Dear Mr. and Mrs. Rosendale:

Per your request I have reviewed your closing and recordation documents related to the sale of the real property at [redacted], Centreville, MD 21617. It appears that you were mistakenly sent the incorrect Certificate of Exemption from Withholding and during our processing, the Maryland resident exemption was incorrectly attributed to your Certificate without your knowledge. Said document was subsequently recorded with the Deed. This document is used when a seller is a resident of Maryland or fulfills other statutory requirements. Unfortunately, this was not the case under your closing since you both were in fact residents of the State of Montana.

However, I have surmised that there were no issues with the recording as presented to the Courthouse. This document is used in conjunction with other tax calculations to determine if a seller owes a withholding tax to the State of Maryland. In your case, there ultimately was no profit from the sale, rendering the aforementioned affidavit moot. As there were no additional taxes owed to the State of Maryland, there was no need for a different withholding form.

We could go through a process to re-record and correct the minor error. However, this would only serve to unnecessarily confuse the chain of title. It is my opinion that there were no consequences to the execution/ recordation of this document and I recommend no further action on the matter. You and your wife were, of course, not residents of Maryland and we should not have sent you this document for execution. It was an error on our part and we apologize.

Sincerely,

**James Yoke, Esq.

AGREED UPON SCHEDULE

For All Issue Advertisements That Communicate a Message Relating to Any Political Matter of National Importance

Broadcast Length	Time of Day, Rotation or Package	Days	Class	Times per Week	Number of Weeks

Attach proposed schedule with charges (if available):

AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;
- (2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual time the rate for spots "communicating a political matter of national importance" air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

AGREED UPON SCHEDULE

For All Issue Advertisements That Communicate a Message Relating to Any Political Matter of National Importance

Broadcast Length	Time of Day, Rotation or Package	Days	Class	Times per Week	Number of Weeks

Attach proposed schedule with charges (if available):

AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;
- (2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual time the rate for spots "communicating a political matter of national importance" air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

AGREED UPON SCHEDULE

For All Issue Advertisements That Communicate a Message Relating to Any Political Matter of National Importance

Broadcast Length	Time of Day, Rotation or Package	Days	Class	Times per Week	Number of Weeks

Attach proposed schedule with charges (if available):

AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;
- (2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual time the rate for spots "communicating a political matter of national importance" air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

AGREED UPON SCHEDULE

For All Issue Advertisements That Communicate a Message Relating to Any Political Matter of National Importance

Broadcast Length	Time of Day, Rotation or Package	Days	Class	Times per Week	Number of Weeks

Attach proposed schedule with charges (if available).

AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;
- (2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual time the rate for spots "communicating a political matter of national importance" air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

ALTERNATIVE DISPUTE RESOLUTION OFFICE

DATE: March 4, 2019

ANALYST: Kaitlin Seufert

I. COMMITTEE: Principles First, Inc.
C00679449
Randall Lee Pullen, Treasurer
8687 E. Via De Ventura
Suite 106
Scottsdale, AZ 85258

II. RELEVANT STATUTE: 52 U.S.C. §30104(g)(1)
11 CFR §104.4(c)

III. BACKGROUND:

Failure to Provide Supporting Schedules (Failure to Timely File 24-Hour Reports)

Principles First, Inc. (“the Committee”), failed to timely file one (1) 24-Hour Report totaling \$65,150.00 to support two (2) independent expenditures disclosed on the 2018 July Quarterly Report, made after the 20th day but more than 24 hours before the 2018 Primary Election held in the state of Montana (Attachment 2).

On July 6, 2018, Randy Pullen, the Committee treasurer, called the Reports Analysis Division (RAD) Analyst. Mr. Pullen explained he was unable to successfully file a 24-Hour Report in May, and was also having trouble filing the 2018 July Quarterly Report. The Analyst assisted Mr. Pullen in creating the July Quarterly Report in the software, and encouraged him to file the 24-Hour Report as soon as possible as it was already late. The Analyst provided Mr. Pullen with several resources for reporting independent expenditures (Attachment 3).

On July 6, 2018, the Committee filed its 2018 July Quarterly Report, covering the period from May 14, 2018 through June 30, 2018, which included a Schedule E (Itemized

Independent Expenditures) disclosing two (2) independent expenditures, totaling \$65,150.00, made in support of one (1) federal candidate (Image 201807069115244750).

Also on July 6, 2018, the Committee filed an Amended 2018 July Quarterly Report. The report contained no changes to Schedule E from the original report (Image 201807069115245088).

On July 7, 2018, the Committee filed an Amended 2018 July Quarterly Report. The report disclosed modifications to the date of dissemination and date of disbursement for one (1) Independent Expenditure, but no other changes to Schedule E from the original report (Image 201807079115247459).

Also on July 7, 2018, the Committee filed one (1) 24-Hour Report to support (2) independent expenditures totaling \$65,150.00 disseminated on May 18, 2018 (Image 201807079115247450).

On October 3, 2018, a Request for Additional Information (RFAI) was sent to the Committee referencing the Amended 2018 July Quarterly Report, received July 7, 2018. The RFAI noted that the Committee may have failed to timely file one (1) or more required 24-Hour Reports regarding independent expenditures. A chart was included with the RFAI identifying the two (2) independent expenditures, totaling \$65,150.00, for which a 24-Hour Report had not been timely filed (Image 201810030300021116).

On October 16, 2018, while speaking with Mr. Pullen regarding a separate matter, the Analyst reminded Mr. Pullen of the RFAI that was sent to the Committee referencing the Amended 2018 July Quarterly Report, received July 7, 2018. Mr. Pullen responded that he had given the letter to the Committee's attorney to respond (Attachment 3).

On November 9, 2018 the RAD Analyst left a voicemail message for Mr. Pullen. The Analyst explained that the issue on the Committee's Amended 2018 July Quarterly Report, received July 7, 2018, may be referred for potential further action to another office within the Commission. The Analyst further explained the Committee could provide additional information for the public record if they wished to do so. Later that day, Mr. Pullen returned the Analyst's call and said the Committee would file a response (Attachment 3).

On November 14, 2018, Mr. Pullen called the RAD Analyst to ask where he should mail the Committee's response to the RFAI sent referencing the Amended 2018 July Quarterly Report. The Analyst explained that because the Committee files electronically, they are required to file their response electronically via FEC Form 99 (Miscellaneous Electronic Submission) (Attachment 3).

Also on November 14, 2018, Mr. Pullen spoke with the RAD Analyst and stated that the Committee had emailed a response to the referable issue within the Amended 2018 July Quarterly Report to a contact in the Office of General Counsel (OGC). Mr. Pullen said it was in response to the Matter Under Review (MUR) being handled by OGC as the result of an outside complaint. The Analyst explained that the Committee should file any

response to the RFAI electronically via an FEC Form 99 so that it would be on the public record (Attachment 3).

Later on November 14, 2018, the Committee filed an FEC Form 99, which stated in part:

"In reference to your letter dated October 3, 2018, I would like to apologize for not filing timely Form 24 reports for the 2018 Montana Senate primary election on behalf of Principles First, Inc. I did not willfully or intentionally not file the 24-hour reports. I did experience problems with entering transactions in the electronic filing software, which precluded me from filing the reports.

After filing the Form 1 in May, I tried to file on the same day a Form 24 report, but the software would not accept the expenditures. At first, I thought the problem was I needed to wait a day until the Form 1 was processed. After trying a couple of times the following day, I contacted the FEC technical department and left a message that I was having problems. I did not hear back from them.

I did speak to an FEC Analyst in June, when attempting to file a monthly report for May. Since I had missed filing the Form 24 reports, I was trying to file a monthly report for May. I talked through the same problem I was having with the monthly report and earlier with the Form 24 reports. The issue was the software was not accepting the expenditures. The Analyst could not determine what was the cause of the problems I was experiencing. However, she did explain to me that I did not need to file a monthly report and a quarterly report would be ok for a small PAC.

I did continue to try and find a way to enter the expenditures in the software. The problem seemed to be every time I tried to input the candidate's name that the expenditure supported, the transaction was rejected. I reviewed the electronic filing instructions several times and was unable to find a solution in the instructions provided by the FEC.

Eventually, I tried adding the candidate benefited by the independent expenditure under the Individuals/Organizations and Events tab. Once I entered the candidate committee for Mr. Fagg, I was able to complete the expenditures to support the candidate and filed a quarterly report. This instruction - that you first must add the candidate to the Individuals/Organizations and Events tab before you could file the independent expenditure report - is not necessarily intuitive from the software and should have been noted in the electronic filing instructions from the FEC" (Image 201811149133679207).

To date, no further communications have been received from the Committee regarding this matter.
