## REPORTS ANALYSIS DIVISION REFERRAL

TO

## ALTERNATIVE DISPUTE RESOLUTION OFFICE

DATE: August 5, 2019

ANALYST: Nataliya Ioffe

## I. COMMITTEE:

Todos con Jenniffer Inc. DBA Jenniffer  
for Congress  
C00588392  
Oriol Campos Hernandez, Treasurer  
P.O. Box 367111  
San Juan, PR 00936

## II. RELEVANT STATUTE:

52 U.S.C. § 30104(b)(2)  
11 CFR § 104.3(a)

## III. BACKGROUND:

**Failure to Provide Supporting Schedules (Failure to Disclose All Financial Activity)**

Todos con Jenniffer Inc. DBA Jenniffer for Congress (“the Committee”) amended its 2018 October Quarterly Report to disclose additional receipts of \$236,776.09, which were not disclosed in the original report (Attachment 2).

On July 12, 2018, the Committee’s Treasurer, Oriol Campos Hernandez, contacted the Reports Analysis Division (RAD) Analyst to indicate that the hard drive of the Committee’s computer was damaged and the campaign lost most of its data file, which would prevent them from being able to file complete FEC reports. Mr. Campos Hernandez stated he was in the process of reentering data and encountered difficulty with importing information from prior reporting periods. He indicated some of the data could not be recovered. The RAD Analyst transferred Mr. Campos Hernandez to the Electronic Filing Office (EFO) for technical support (Attachment 3).

On July 13, 2018, the Committee filed an FEC Form 99 (Miscellaneous Electronic Submission) that stated, in full: “The hard drive of the computer crashed, so I lost all data for the last year. the beginning [sic] and ending balance are off. Will be fixed during the next cicle [sic]” (Image 201807139115391775).

Page 2 of 3

On October 15, 2018, the Committee filed the original 2018 October Quarterly Report, covering the period from July 1, 2018 through September 30, 2018. The report disclosed \$17,199.42 in receipts on Line 11(a)(i) (Itemized Contributions from Individuals), no receipts on Line 11(a)(ii) (Unitized Contributions from Individuals), and \$4,000.00 in receipts on Line 11(c) (Contributions from Other Political Committees) of the Detailed Summary Page (Image 201810159125302671, Attachment 2).

On the same date, the Committee filed an FEC Form 99 that stated, in full: "I am having trouble with the FEC File. I have to restore all the reports. I submitted an incomplete file and will complete it as soon as possible" (Image 201810159125306157).

On November 26, 2018, the Committee filed an FEC Form 99 that stated, in full: "I am having trouble ammending [sic] my reports. I'm set to upload and it is not letting me" (Image 201811269133824302).

On January 23, 2019, the Committee filed an Amended 2018 October Quarterly Report. The report disclosed \$253,400.51 in receipts on Line 11(a)(i), \$100.00 in receipts on Line 11(a)(ii), and \$4,475.00 in receipts on Line 11(c) of the Detailed Summary Page, a total increase of \$236,776.09 from the original report (Image 201901239143949850).

On May 13, 2019, a Request for Additional Information (RFAI) was sent to the Committee referencing the Amended 2018 October Quarterly Report, received on January 23, 2019. Among other items, the RFAI requested clarification regarding the substantial increase in receipts disclosed in the Amended 2018 October Quarterly Report (Image 201905130300040130).<sup>1</sup>

On June 7, 2019, the Committee filed a second Amended 2018 October Quarterly Report. The report disclosed no change to receipts on Line 11(a)(i), 11(a)(ii), or 11(c) of the Detailed Summary Page from the previous amendment (Image 201906079149955648, Attachment 2).

On July 9, 2019, RAD Management contacted the Committee's Treasurer, Oriol Campos Hernandez, about the increase in receipts on the Amended 2018 October Quarterly Report, cited in the May 13, 2019 RFAI. RAD Management explained that the issue would be referred to another Commission office for potential further action. RAD Management asked Mr. Campos Hernandez whether he would like to provide any additional explanation concerning the increase in activity. RAD Management acknowledged the FEC Form 99 he previously submitted that stated he was filing an incomplete report due to a problem with the FECFile reporting software. Mr. Campos Hernandez stated he had to reconstruct the Committee's FECFile database because the hard drive on the Committee's computer was damaged due to circumstances beyond his control. He said that due to the hard drive damage, part of the data file could not be recovered, so he filed an incomplete original 2018

---

<sup>1</sup> The RFAI cited the increase in receipts on Line 11(a)(i) and inadvertently excluded references to Lines 11(a)(ii) and 11(c). Since the RFAI cited the total amount of the increases on Lines 11(a)(i), 11(a)(ii), and 11(c), \$236,776.09, this referral references the activity on all of these lines.

October Quarterly Report. Mr. Campos Hernandez further stated that the candidate had a big campaign event in August 2018, and re-entering that data into the new data file took significant time. He was able to reconstruct the database and file the amendment in January 2019 reflecting all of the receipts. RAD Management encouraged Mr. Campos Hernandez to file an FEC Form 99 explaining these circumstances, and he said he would do this (Attachment 3).

On July 15, 2019, the Committee filed an FEC Form 99 that stated:

"As stated on the 10/15/18 miscellaneous report, we had trouble with the accounting and FEC data, which made it impossible to submit a full report on time. Rather than not submit anything, I decided to submit a partial report with the information that was available at the moment. The complete report was submitted as soon as the data was available" (Image 201907159150604841).

To date, no further communications have been received from the Committee regarding this matter.
