Re: ADR 926 (RAD 19L-23)

Dear Treasurer:

The Federal Election Commission (FEC or Commission) referred a compliance issue to the FEC's Alternative Dispute Resolution Office (ADR Office) for processing. The basis of the referral by the Reports Analysis Division (RAD) was a review of reports filed by Todos con Jenniffer Inc. DBA Jenniffer for Congress, which reflect a possible failure to comply with the Federal Election Campaign Act of 1971, as amended.

The FEC established the ADR Program to provide an informal means for resolving matters that come before the Commission and to facilitate negotiations directly with Todos con Jenniffer Inc. DBA Jenniffer for Congress and Oriol Campos Hernandez, Treasurer (Respondents or the Committee). The ADR Program provides Respondents with an opportunity to negotiate settlement of a matter that is mutually agreeable. The negotiations occur prior to any Commission consideration of whether there is reason to believe a violation has occurred. If negotiations are successful, the resulting settlement would conclude the matter.

The Commission, in referring the matter to the ADR Office, determined that the case is eligible for processing in the ADR program. If Respondents decide to participate in the ADR Program, you must: 1) indicate in writing a willingness to have your case submitted for ADR processing; 2) agree to participate in the bilateral interest based negotiations; and 3) waive the statute of limitations while the matter is being processed under the FEC's ADR program.

The issues referred to the ADRO, and the focus of our subsequent negotiations are summarized as follows:

RAD referred Respondents for failing to disclose all financial activity on its 2018 October Quarterly Report, originally filed on October 15, 2018. On June

7, 2019, the Committee filed an Amended 2018 October Quarterly Report including \$236,776.09 in additional receipts.

In a Form 99 (Miscellaneous Electronic Submission) filed on July 13, 2018, the Committee noted that their computer hard drive had crashed and all data had been lost. In a Form 99 later filed on July 15, 2019, the Committee referenced the previously filed Form 99 stating that they had trouble with the accounting and FEC data and decided to submit a partial report with the information that was available at the moment. Further, the Committee notes that the complete report was submitted as soon as the data was available.

If after reviewing this letter and the enclosed ADR Frequently Asked Questions, which describe the ADR program, Respondent(s) would like to participate in ADR processing, you need to affirmatively indicate that on the enclosed Commitment to Submit Matter to ADR form. **Failure to respond affirmatively within fifteen (15) business days from the date of this letter will be taken as a notice of disinterest in the program and your case will be dropped from further consideration for ADR.** In that event, your case will be sent to the FEC's Office of General Counsel for further processing, and the likelihood that the Committee will be audited during the next election cycle will increase.

This matter has been designated as **ADR 926**. Please refer to this number in future correspondence with the FEC. If you have questions about the ADR Program, please contact the ADRO at my direct dial as indicated below

Sincerely,

Krista J. Roche  
Director  
Alternative Dispute Resolution Office
