Ms. Marie Bass
National Committee for
an Effective Congress
201 Massachusetts Avenue, N.E.
Washington, D. C. 20002

Dear Ms. Bass:

This confirms your telephone conversation of August 11, 1976, with David Anderson of our legal staff concerning the status of your request for an advisory opinion. You indicated that the National Committee for an Effective Congress has no interest at this time in receiving an opinion in response to AOR 1975-34.

Accordingly, we propose to take no further action on the matter. We appreciate your understanding of the circumstances which precluded the Commission's issuance of a timely advisory opinion in response to this request. Thank you for your cooperation.

Sincerely yours,

/s/
