Dear Mr. Bell:

This refers further to your letter of February 20, 1976, requesting an advisory opinion from the Commission concerning the receipt of contributions by check drawn on corporate accounts.

Pursuant to our telephone conversation of today I understand that the committee you represent no longer has need for an opinion on this matter and you have therefore agreed that the request may be considered as withdrawn. Accordingly, we propose to take no further action on your request.

Thank you for your cooperation.

Sincerely yours,
