MEMORANDUM TO THE FILE: O/R #650 (AOR 1976-38)

By virtue of a telephone conversation between Paul Kamenar and Ralph Gerson on or about August 6, 1976, it was agreed that a formal response to this request would not be necessary and the matter could be considered as withdrawn. Accordingly this memorandum will constitute final action on this matter and a confirmation letter to the requesting party will not be necessary in view of the subject telephone contact and our continuing contacts with Mr. Gerson in which he has not indicated any need for an opinion on the matter.
