Re: AOR 1978-101

Dear Ms. Branchflower:

We have your letter of February 5, 1979 containing supplemental information pertaining to your advisory opinion request.

We have subsequently been in contact with Mr. Bill Banfield, controller of Alaska International Airlines, Inc., regarding the status of the Rodey Committee's account. Mr. Banfield's search of the corporation's accounting files showed that the check issued by the Committee to the corporation dated June 13, 1978, in the amount of \$219.49 had, in fact, been received by the corporation but due to a clerical oversight, had not been deposited. Mr. Banfield has assured us that the check will be presented for payment as soon as possible.

Since it appears that an opinion from the Commission is no longer necessary, we request that you submit a letter withdrawing your request for an advisory opinion. Thank you for your cooperation.

Sincerely yours,

N. Bradley Litchfield  
Assistant General Counsel
