Re: AOR 1978-71

Dear Mr. Goldman:

I understand that Bradley Litchfield, an Assistant General Counsel on my staff, spoke with you by telephone on June 25, concerning your continuing need for an advisory opinion in response to the subject request.

You advised Mr. Litchfield that you no longer need an opinion and that your request can be regarded as withdrawn in view of advisory opinions issued subsequent to your request which cover the same issues. These opinions are Advisory Opinion (AO) 1978-94 and AO 1978-95, copies enclosed.

We appreciate your cooperation in this matter and have accordingly closed the file on Advisory Opinion Request 1978-71.

Sincerely yours,

/s/

William C. Oldaker
General Counsel
