RE: Request for Advisory Opinion on behalf of Minnesota DFL
Voter Survey

Dear Brad:

On behalf of the Minnesota DFL Voter Survey, I would like to withdraw our request for an Advisory Opinion. Over the past month, the structure and procedures of the Voter Survey Committee has changed substantially. For this reason, many of the factual statements made in the Advisory Opinion Request, and seemingly crucial to your determination, are no longer accurate. At its most recent meeting, the Committee decided to withdraw the Request now to save your office the time and expense in drafting and issuing the Opinions.

I am quite sorry for the inconvenience and for the time and trouble to which we have already put you.

If our activities raise any questions under applicable law which require your guidance, we will be in touch.

If you have any questions regarding the foregoing, feel free to contact me.

Sincerely,

Thomas H. Borman
