Re: AOR 1979-55

Dear Mr. Albertson:

We have received no reply to our letter of October 18, 1979, requesting clarification of the California Democratic Council's status as a political committee under the Act as well as further information concerning its proposed activities.

In the absence of a written response to our letter we must conclude that the Council does not qualify for an advisory opinion. Accordingly, we consider that Advisory Opinion Request 1979-55 is not properly submitted under 2 U.S.C. §437f and are closing our files on the matter.

Sincerely yours,

Charles N. Steele
General Counsel
