DISSENTING OPINION IN ADVISORY OPINION 1979-65

of

COMMISSIONER THOMAS E. HARRIS

I dissent from the conclusion reached in this Advisory Opinion because I do not believe that the proposed activities described in the opinion request are sufficiently defined for the Commission to respond. Under Section 437f the Commission may issue an advisory opinion only concerning the application of a general rule of law "to a specific factual situation." The issuance of an advisory opinion here violates that restriction.
