2. Request the General Counsel's office to write an alternative draft which would recognize what the requester has done to date, including any additional information given the General Counsel, and have the General Counsel, if able, draft the alternative in such a way to allow the Committee to retain these funds in a separate account if it wishes to do so, until the Committee's treasurer can determine to whom the funds should be returned if they are illegal.

Commissioners Aikens, Elliott, McDonald, McGarry, Potter and Thomas voted affirmatively for the decision.
