Re: Lewis for Congress Committee

FEC I.D. C00090357

Dear Sir:

This is to request an advisory opinion based upon the following set of circumstances:

The undersigned, as Assistant Treasurer of the above named committee, received and processed certain checks on October 21, 1992, for deposit into the committee's checking account. The undersigned also personally mailed that deposit. It appears the deposit never arrived at the committee's bank but was "lost" in the mail. A copy of the committee's record of deposit, including a copy of each check, is enclosed for your information. Also enclosed is a copy of the committee's "48 hour notice of receipt" pertaining to two of the checks included with that particular deposit.

It would be appreciated if the Commission would advise this committee if it would be appropriate, assuming the "lost" checks will be replaced by the contributors, to apply any replacement checks to the 1992 General Election rather than to 1994.

The undersigned swears under penalty of perjury that the foregoing is true and correct.

Sincerely,

Arlene M. Willis
Assistant Treasurer

Dear Sir:

Please consider this letter a supplement to the information provided in our letter of December 3, 1992, requesting an advisory opinion relative to a deposit of checks that was mailed by the undersigned to this committee's bank but was apparently lost in the mail, as follows:

1. The deposit was mailed from Redlands, California to Community Bank in Redlands, California on October 21, 1992.
2. The contributors whose checks were a part of that deposit were contacted and we have been advised by those contributors that their checks are still outstanding and unpaid.
3. Community Bank accounting today again confirmed the deposit was never received.

We hope this additional information will enable you to issue an advisory opinion as to whether replacement checks, if obtained, will apply to the 1992 General Election.
