OGC revisions to Agenda Document #94-79, Draft AO 1994-19

These revisions are prompted by the 7/20/94 letter from counsel to the ASA.

Page 4, line 4 -- revise sentence to say:

ASA is a membership organization of individual physicians and scientists whose ASA membership, for most of them, is conditional upon their membership in

Page 6, line 12 -- revise sentence to say:

Under these circumstances, some overlap of officers also seems likely. [cite]

Another revision is needed to correct the 114.8(g)(1) regs quote at the top of page 5, lines 3--5. Mr. Levin will give the details of the missing phrases at the table.
