Re AOR 1994-35

Mrs:

The following are answers to your three questions:

- ① I do not intend to seek public office in the future.
- ② I do not intend to use funds other than my own to pay off the mortgage on my residence at 463 E. 19th St Brooklyn New York, 11226.

Under the current payment schedule the loan will take 28 yrs to repay.

- ③ The current outstanding balance is \$4,785.55 owed to the printer in the campaign. It will be paid over the next few months from personal funds.
