Re: AOR 1995-4

Dear Mr. Applegate:

This refers to our letter dated March 13, 1995, in which we informed you that unless you provided certain additional information regarding the factual circumstances of your request for an advisory opinion, this office would close the file in your request. Since then we have not received any communication from you regarding a response.

Advisory opinion requests shall include a complete description of all facts relevant to the specific transaction with respect to which the request is made. 11 CFR 112.1(c). Your failure to respond to the questions posed in our earlier January 20, 1995, letter creates an incomplete factual record. Therefore, this office has closed the file in your request without the issuing of an opinion. This action does not, however, preclude you from resubmitting the request at a later date pursuant to 2 U.S.C. §437f and 11 CFR Part 112. Any resubmitted request should be complete as outlined in our previous letters.

If you have any questions concerning this letter or the advisory opinion process, please contact Mr. Litchfield.

Sincerely,

Lawrence M. Noble  
General Counsel
