United States as the National Committee of a Political Party)**

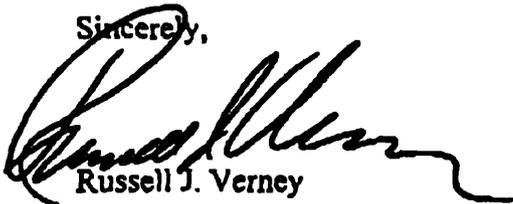

*Via facsimile to (202) 219-3923 followed by U.S. mail*

Dear Mr. Marinelli,

Because Mr. Dean Barkley, a Reform Party 1996 candidate for the United States Senate from Minnesota, has executed a statement both acknowledging the authority of the Reform Party of the United States of America to represent the Reform Party and supporting its request for national committee status, the Executive Committee of the Reform Party of the United States of America requests Mr. Barkley be counted among its candidates for federal office, although the Reform Party of Minnesota, as discussed in AOR 1998-02, has not yet formally affiliated with the Reform Party of the United States of America.

Thank you for your consideration in this matter.

Sincerely,

**Russell J. Verney**  
**Chairman**
