RE: Green Party of the United States Advisory Opinion Request 2001-13

Dear Mr. Marinelli:

On behalf of the Wisconsin State Green Party, I wish to express our formal support for the Green Party of the United States in receiving status from the Federal Elections Commission as the recognized Green Party.

The Wisconsin Green Party has been a member of the Greens/Green Party USA for several years as well as being a member of the Association of State Green Parties, which has given birth to the Green Party of the United States.

We encourage the Federal Election Commission to recognize the Green Party of the United States. Thank you for your time and consideration in this important matter.

Sincerely,

Amy S. Mondloch
