Re: AOR 2003-3

Dear Mr. Baran,

This confirms our telephone conversation of Monday, March 31, 2003. We agreed to an extension of seven days for the Federal Election Commission to respond to your advisory opinion request on behalf of Rep. Cantor and others. The new deadline for issuance of this advisory opinion is April 29, 2003. The Office of General Counsel intends to propose that the Commission consider this matter at the April 24, 2002 open meeting.

Thank you for your courtesy in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Vergelli".
