2005 APR 26 P 3: 17

Mr. Deutsch:

This e-mail confirms our earlier discussion clarifying my recent inquiry on behalf of Congressman Ray LaHood. As we discussed, the not-for-profit charitable organizations referred to in my letter are intended to be those 501(c)(3) organizations that do not conduct any election activity.

I hope this adequately addresses your inquiry, but if you need additional information, please let me know.

Thank you for your assistance.

Rex Linder
