The Commission notes that permission to allocate these costs stems from the unique nature of the public Presidential financing system. Only those candidates who received the full grant in the General Election are permitted to have a compliance fund. 11 CFR 9003.3. No other Federal candidates are permitted to do so under any circumstances. 2 U.S.C. 441a(a)(1) and 441i(e). As such, this Advisory Opinion has no applicability to any other candidate or political committee.
