To: FEC Commission Secretary  
CC: Office of General Council

I am writing in regards to Draft Advisory Opinion 2007-31.

I am asking the FEC to reject this opinion.

I have made many credit card donations to candidates in the past, sometimes going to their website directly (when they have that options) and often using ActBlue. I have always considered ActBlue to be just a payment "gateway" to the candidate to whom I am donating.

I am a supporter of the Matching Funds system, and this opinion is just an obstacle to that system. ActBlue is just a modern technology/technique for collecting funds for a candidate.

Please reject Draft Advisory Opinion 2007-31.

Regards,

Dan Wood
