Dear Mr. Roberts:

In our telephone conversation today, we discussed the personnel that the managers with an inactive union membership supervise and you confirmed that those managers supervise both salaried and hourly employees in an approximate ratio of 90 percent salaried to 10 percent hourly employees.

Please respond via e-mail and confirm that my summary of our conversation is accurate. Your response may be treated as a supplement to Atlas Air's advisory opinion request, and, as such, may be posted on the Commission's website.

Thank you very much for your cooperation.
