Regarding the FEC recommendation for Draft AO 2013-11 (Miller)

I would like to thank the FEC for being willing and able to look at the truth of this matter without being swayed by misinformation and falsehoods that are only being presented to you in order to try and destroy an honorable man. Joe Miller has served our state and nation with integrity, moral character, and courage, as a citizen, a military officer, attorney, judge, and political candidate.

Joe Miller has been wrongly charged by the Fairbanks North Star Borough along with the Alaska Dispatch because of a unjust grudge these parties hold against him.

It is Mr Miller's right to defend his name and person. Thank you for upholding that right. Therefore the draft decision made by the FEC in favor of Joe is the correct course of action.

Sincerely,

Amy Walker
