Open Meeting

Tony,

Thank you for checking, but I'm not sure there is anything more I can add.

(I assume you're responding to my last email with a link to below, but, in any event, here's the link again; I've read the rules re: this, but if it could be made known that a video statement is available it would be appreciated):

And, as you can see, I just took the liberty of cc'ing the Members; Mr. Goodman apparently doesn't like email.

I look forward to hearing what the Commission has to say.

Have a great day!

Mr. Hammon -

Please let us know if you wish to appear via telephone at the Commission's meeting tomorrow. It is scheduled to begin at 10 AM Eastern time. If you do appear, it would be solely for the purpose of being available to answer Commissioner questions; you would not be entitled to comment on your request or on the draft otherwise.

If you do wish to appear, please provide us with a phone number as soon as possible so that the Commission Secretary can contact you and describe the procedure you will need to follow.

Very truly yours,

Tony Buckley
