Subject: Advisory Opinion 2018-15

Dear Mr. Soghoian:

As you may know, the Commission has decided to hold over consideration of Advisory Opinion 2018-15, in order for the Commissioners to have additional time to consider the request and to ask further factual questions. The Commission's next open meeting is scheduled for Dec. 6, 2018, so we would like to request an extension of the deadline for the Commission to issue its response, to Dec. 7, 2018 (the current deadline is Dec. 3). Please let us know by return email if Sen. Wyden is willing to grant this extension. Thank you.
